

## ECOLOGICAL LAW AND GOVERNANCE – FROM ENVIRONMENTAL LAW TO ECOLOGICAL LAW

### 2019 WEBINAR SERIES

Presented by: [Ecological Law and Governance Association \(ELGA\)](#)

In partnership with: [Ethics Specialist Group](#), [IUCN World Commission on Environmental Law](#), [Australian Earth Law Alliance](#), [Center for Environmental Ethics and Law](#), [Earth Law Center](#), and [Economics for the Anthropocene](#)

All webinars are open to the public. Registration is recommended, but not required. Please visit [www.elga.world](http://www.elga.world) or email [info@elga.world](mailto:info@elga.world) for more information. At the time of the course, simply click on the Zoom link below.

ELGA provides a forum and platform for diverse groups to work together and amplify their voices to transform our current human-centered, growth-focused legal paradigm, to an Earth-centered, ‘ecological law and governance’ paradigm to better protect the foundations of life.
