WISHINGWELL

Wishing Well Poem #1

We made a commitment,
some time ago,
that together through life,
we were destined to go.
To save you looking,
shopping and buying,
here is an idea,
we hope you'll like trying!
Come to our wedding,
to wish us both well,
and please make a donation,
to our wishing well.

Wishing Well Poem #2

More than just kisses,
so far we've shared,
our home has been made,
with love and care.
Most things we need,
we've already got,
And in our home,
we can't fit a lot!
A wishing well,
we thought would be great,
But only if,
you wish to participate,
A gift of money,
is deposited into a well,
Then make a wish...
But shhh don't tell!
Once we've replaced,
the old with the new,
We can look back,
and say it was thanks to you!

Wishing Well Poem #3

Our home is quite complete now,
We've been together long.
So please consider our request,
And do not take us wrong.
A delicate request it is,
We hope you understand.
Please play along, as it will give
Our married life a hand.

The tradition of the wishing well,
Is one that's known by all.
Go to the well, toss in a coin
And as the coin does fall.
Make a wish upon that coin,
And careful as you do,
Cause as the well's tradition goes,
Your wishes will come true.

So on this special day of ours,
The day that we'll be wed.
Don't hunt for special gifts
But give money in its stead.
And as you drop the envelope,
With money great and small,
Remember, make your wish
As you watch your money fall.

Wishing Well Poem #4

We'd love to have you with us
when all our dreams come true.
But at the risk of being bold we ask
one thing of you.
We've been collecting household
items before tying the knot
And consequently have what most
newly married couples do not.
We're on our way to [insert honeymoon
destination] for our honeymoon.
A holiday for us to share that
hasn't come too soon.
So if you're thinking of a gift and
don't know what to get.
A gift of cash would help us most and
get us on that jet.
But most of all we'd love you there on
our special date.
To share with us our happiness
and help us celebrate.

Wishing Well Poem #5

We hope you can join us on
this our wedding day, to celebrate
our union in a very special way.
Our wish is quite different
and a little hard to tell, but
rather than shopping for a present,
why not bless our wishing well.
Just place an envelope into the well
with your gift of cash inside,
the value is for you to decide.
If you would rather shop,
it is fine by us.
We just thought by giving you
this option, it would
save you a lot of fuss!

Wishing Well Poem #6

On this special day of ours,
the day that we are wed,
don't hunt around for special gifts,
you'll surely lose your head!
Just pop some money in
this envelope,
keep it separate to your card,
and place it into the wishing well,
it's easy....not so hard!
We thank you for your
precious gift given from the heart.
Remember – your willingness
to participate will give
us a huge head start!

Wishing Well Poem #7

If finding a gift is hard to do,
our wishing well is just for you!
A gift of money is placed in the well,
then make a wish but shhh don't tell!
If it is however a gift you find,
please feel assured we will not mind.

Wishing Well Poem #8

Many of our guests have enquired
for a gift idea to be inspired.
Like most couples today we have
most things anyway.
If you would like to give, it is our request
for something for our treasure chest.
A gift of money if you can afford it
is just what we need you can be assured.

Wishing Well Poem #9

If you were thinking of giving a gift
to help us on our way,
a gift of cash/money towards 'our house/our
honeymoon' would really make our day.
However if you prefer to purchase a gift, feel free
to surprise us in your own special way.

Wishing Well Poem #10

a destination wedding was our desire,
so simply your presence is all we require
sharing our day with the people we love,
for us is definitely gift enough.
but if a gift is still your intention,
may we take this opportunity to mention
rather than buy us something at a guess,
we are registered at the following address
(insert gift registry details)

Wishing Well Poem #11

They have their dishes and towels for two
They have pots and pans and oven mitts too
So what do you get for the Bride & Groom
Whose house is set-up in every room?
Their house needs repairs
and some upgrades too
But you can not register for carpet and glue.
A well that holds wishes is the way to go
So lets make it easy for all that know.
An envelope will be provided
for those who have room,
To give a monetary wish to the Bride & Groom
A wishing well will be on display
at the reception hall
To attach your wishes, for the couple,
with love from all.

Wishing Well Poem #12

Your presence at our wedding is
a present enough.
No need to worry, we have plenty of stuff!
Although, if you were thinking to help
us on our way,
contribute to our wishing well and
have your thoughts on display.

LOVEQUOTES

1. This day I will marry my best friend, the one I laugh with, live for, dream with, love.
2. For, you see, each day I love you more, today more than yesterday and less than tomorrow.
3. From this day forward, you shall not walk alone. My heart will be your shelter, and my arms will be your home.
4. The best and most beautiful things in this world cannot be seen or even touched - they must be felt.
5. When I fell in love and you smiled because you knew.
6. This day I will marry my friend, the one who shares my dreams.
7. Loves fills the moment, and the moment begins eternity. Love fills a lifetime, and a lifetime begins this day.
8. Our wedding day, a new life has its start. We'll share with each other one love, one dream, one heart.
9. And the two shall become one...
10. How beautiful is the day that is touched by love.
11. With an endless love we'll share our thoughts, our dreams, ourselves.
12. I love you not because of who you are, but because of who I am when I am with you.
13. You come to love to not by finding the perfect person, but by seeing an imperfect person perfectly.
14. I wrote your name in the sky, but the wind blew it away. I wrote your name in the sand, but the waves washed it away. I wrote your name in my heart, and forever it will stay.
