WELCOME TO THE LATEST SUPPORTERS' CLUB MONTHLY NEWSLETTER.

At the time of writing the first 10 games could have gone somewhat better! A return of just six points out of a possible 30 to go along with one of the four relegation spots and the second worst defensive record was not what we had hoped for but the two recent draws against Ebbsfleet and Chesterfield have at least stemmed the tide of defeats and given the squad (and us supporters) a bit of respite. Let's hope they go on and start a decent run of results during this month and beyond.
