Barber “Pre” Historics—Howard Beckner

A group of about 15 club members attended the Barber Pre-Historics event at BMSP on Saturday, Nov. 8. The purpose of the event was to gather the local car clubs together to inform them of the up-coming Historics Racing at the track. All the cars were gathered together in pit road and grouped by their club. It made for an interesting mix of antique and modern cars. From new Lamborghinis to '57 Chevys. Of course there were plenty of Corvettes and more Porsches than you could count.

Many of our club members took advantage of the track tour and enjoyed the leisurely laps around the beautiful track.
