

# Shine Festival Fundraising 'Big Sing'

with Simon Fidler

Come and join Simon for a day of singing – learn new repertoire, develop your vocal technique and improve your skills singing with others.

Suitable for singers of all levels, you will learn a set of short pieces in a variety of styles, and the day will conclude with an informal 'sharing' of the pieces learnt to a friendly audience of family and friends. Ideal if you already sing in a choir and would like to improve your skills, or if you are thinking of joining a choir and want to 'give it a go'!
