HOW TO USE THESE PRAYERS

Everyone prays differently and for different reasons. Therefore, use these prayers when you commune with God in whatever way works for you. They are basically expressions of service, gratitude, love and respect to God. *Prayer number 6* is a great prayer to be used if you ever have someone in your life that you need to forgive (and we all do). Or, it can be used to just express your love to God or a loved one in your life.

Prayer number 7 is a great expression of service and you must be aware of what you are praying for because if God wants to work through you He will surely use you to do His good works, but you must be prepared for what comes with that. Working for God is no piece of cake. I hope you take some time every day to say these prayers to God or maybe one each day for seven days. Create your own special plan and enjoy your time alone with Him!
