Awards- anybody who qualifies to ride in these classes accumulates points towards year end awards. If the funds are available we can give a saddle to each # class. Give coats to top five./ and vests to places 6 through 10. Because of adding another class with year-end awards we will only give awards to tope five of every numbered class (with the exception of coat or vest to top 10). If you don't make it in a top ten in class's you competed in you will receive a sweatshirt no more than 1.

Buckles- if funds are available will be giving buckles out to winners of all # classes at half of the penning's.

Rating notes suggest we make Green Novice rating a 0.

(for example a 3,2,0 can ride in the 5 inc. in the #7 class or a 5,4,0 can ride in the 9 inc. in the #11 class)

Schedule suggestion- Saturday First go of open followed by open 50% back, first go of #11 class, first go of #7 class, first go of #5 class, both goes Green Nov/ Green Horse class. **Sunday** top 50% of #11 class, top 50% of #7 class, 2nd go of #5 class, both goes of the youth.

***Green Nov.** - same as before

***Green Horse-** same as before

***Youth-** same as before
