- **Newsletter – “Q&A” & “Safety Topic of the Month”**

- What are some “Safety Topic of the Month” ideas?

Resources

Stay up-to-date on changing rules/regulations on safety and health topics. See below for Q&A from our members and presentations from some of our sponsored events - including, but not limited to: Breakfast Breakout and Company Spotlight.

What steps are involved in the risk management process?

Q & A from our members.

There are different versions of the 5 steps involved depending on what you read, but here is a general overview:

1. Identify Hazards - Look for known and potential hazards.
2. Assess the Hazards - What is the potential for injury, etc...?
3. Risk Decisions - What is your plan to mitigate the risk?
4. Implement Controls - Put your plan in action...

Breakfast Breakout: August 18, 2017

Presentations from our Breakfast Breakout sessions.

Check out Mary's great presentation on Walking Working Surfaces - Final Rule!
