Unreasonable. You should know that Jesus demands the unreasonable. Look at his words firmly and unflinchingly, and then realize that what he tells you is, in fact, good and true, and worth believing. http://jimschitchat.blogspot.ca/

WANT TO BE PART OF THE DRIVING FORCE FOR GOOD SHEPHERD?

It's sort of fun to be on the board, lots of laughter and discussion; lots of opportunity to be part of the action and have a say in important decisions; lots of chance to get to know some people better and become friends. Below are the positions that have become vacant, due to the directors’ terms finishing.

Every year at the Voter’s Meeting, elections are held for the vacant Directors’ positions. This is your opportunity to get more involved in Good Shepherd Lutheran Church, and help set the direction for our church.

Prayer Chain Information:

In 2015 – early 2016, my husband was in and out of the hospital numerous times because of cancer, heart failure, internal bleeding, low platelet count and the list goes on. Each time he went in the diagnosis was critical and we weren’t sure he was going to make it. His sister June came down from Saskatoon on several occasions during this time to be with me and her brother. She asked me if “our prayer chain” could possibly say prayers for him. I told her no, as we don’t have a prayer chain, and at that time, I honestly didn’t know what a prayer chain was or that they even existed.

During this time, June told me about when their oldest granddaughter was born with a heart defect; she needed to have emergency surgery almost immediately after her birth. They flew her up to Edmonton for the procedure, and June as a very worried new grandmother asked her church’s prayer chain for their prayers. The doctors told the family that they have never seen a baby come through this surgery so well, and heal as quickly as she did. Hearing this, I knew that I wanted to get a Prayer Chain started for our church, and wished that I would have been able to call upon one when my husband was so ill.

Duties of Prayer Chain Participants:

Currently, I am the Leader of the Prayer Chain, who receives or initiates the request for prayers as in times of illness, death, loss of a loved one, birth of a child, etc.

The request is then given to either an Email captain or a Phone captain.

The Email captain will start the chain by sending an email to everyone who is part of the email listing, giving them the reason for the prayers,
and the prayer to say at that time. We were initially given a list of
scripted prayers by Amanda, but if at the time the request is received,
and they do not have that listing available, it’s a matter of saying one
Our Father, then reporting back by email to the captain that the
prayer has been completed. Once all of the people on the email chain
have reported back to the captain, then she will let me know also by
e-mail that the chain has been completed.

The **Phone** captain will start the chain by phoning the first person on
the chain listing, who in turn, after having said the prayer, will phone
the next person on the list. Once the last person on the phone chain
has said prayers, they report back to the captain, who in turn can
either phone or email me. The same scripted prayers are used for the
phone chain, or once again one Our Father is perfect.

*If people are away on holidays or away during the winter months, they
can be excused from the chain if they wish for that time, by letting me
know, and in turn I will let the captains know.*

*The requests come in sporadically, sometimes many, sometimes few.
Also, the request for prayer alternates between the email chain & the
phone chain, so the time devoted to the prayer chain is minimal most
weeks.*

*The chain listing, prayers and captain listings are given to each person
both in hardcopy and by email at the time of joining the chain.*

Please contact me if you wish to become a part of this wonderful,
powerful prayer group.

**Blessings,**
