### **Attention Parents with young children!**

If you're anything like me (Amanda) the first year of your child's life was one that was often lonely and frustrating. It's only a couple years later that these children start to talk and even then, they're really not very good conversationalists! We want to provide you with the opportunity to work through some of the difficulties and frustrations of being a new parent, whether it's your first child or your fifth, and spend some time with other parents who are in a similar situation. Join us next month for our second parents and babies group on **Friday November 3** at the church and enjoy some time out of the house in an understanding atmosphere as we get to know one another. Everyone is welcome, including any older siblings. We hope to see you there!

**Sunday morning bible study:** It's hard to give a defense of the Christian faith without knowing what you're up against! In this study, Christianity and 14 other religions are examined and

compared to identify central teachings and provide conversational tools for Christians who interact with people of other religions. DPS Amanda will lead this bible study Sunday morning between the services. This week we will take a closer look at Hinduism. In 2 weeks we will delve deeper into Buddhism. **The Book of Concord study** has finished well in time for reformation day. Congratulations!

**Knitting bible study:** Calling all knitters! We have just the bible study for you! Based on Psalm 139: 13–14, "You knitted me together in my mother's womb," this eight-session study focuses on how God's love for us through Christ gives value and dignity to all human life. Join us for our next session **Friday October 27 at 7:00pm** as we knit a little, talk a little and learn a lot about God's love.

Please continue to sign up for the prayer chain via the sheet in the narthex. If you would like more information please contact Isabelle Ladwig by phone at 306-545-7946; email [gstreasurer1@gmail.com](mailto:gstreasurer1@gmail.com) or text at 306-201-1371.

Keep up with Pastor Jim's blogs about the sermon and readings for the week. **Work it.**

I hope you enjoy starbucks coffee, because it'll cost you a denarius to get some. How do you get a denarius, you ask? By working in the field all day. But if you could get paid the same working one hour as you do working all day, why would you want to work all day? Is there something we're all missing? <http://jimschitchat.blogspot.ca/>
