

United Claim Solutions Completes Acquisition of Zebu Compliance Solutions

June 20, 2018

GREENWICH, CT and PHOENIX, AZ - United Claim Solutions (“UCS”), a Great Point Partners-backed company, has acquired Portsmouth, Ohio-based Zebu Compliance Solutions (“Zebu”). Zebu is a software enabled business, providing payment integrity and ongoing credentialing solutions to payors, clearinghouses, and provider organizations across the United States. The acquisition of Zebu brings additional resources and capabilities to UCS, augmenting its suite of payment integrity solutions and expanding its customer base.

“UCS and Zebu have had a strong working relationship over the past seven years. Formalizing our partnership with Zebu enhances our service offering and technology capabilities, enabling us to better serve our clients’ needs,” Josh Carder, CEO of UCS, stated. “Zebu brings us an experienced and talented team, led by industry veteran Francesca Hartop, Zebu’s Founder and CEO. Francesca has deep industry knowledge that has helped establish a comprehensive suite of tools across both payor and provider markets.”

“The Zebu-UCS platform will facilitate high-value integrated and complementary services to better serve our existing customers and further extend our product offerings into new customer segments. Our goal is to create efficiency and integrity across the health care landscape. Zebu’s partnership with UCS creates a comprehensive suite of health care claims management and compliance solutions,” commented Ms. Hartop.

As added by Noah Rhodes, Managing Director of Great Point Partners, “the addition of Zebu provides UCS with added scale and access to over 1,000 new customers. Zebu’s technology, knowledge base and product suite will help UCS continue to improve its payment integrity solutions.”
