

STAFF GUIDELINES

In working toward an integrated society in Northern Ireland, we seek qualified, enthusiastic leaders who love to work with young people. The staff will represent their countries and our organization in the best possible light at all times – both during and outside of camp. This will be reflected in our speech, dress, and professional approach to all social media.

In each country, early responsibilities will include at least one orientation which you are expected to attend, unless providentially hindered. American staff will check into their housing in Belfast on Friday, August 3, to be rested and ready for the mandatory orientation day for all staff on Saturday, August 4. Camp will run Monday, August 6 through Friday, August 10.

Staff shirts must be worn each day of camp. If you are a new staff member, you will be provided with two shirts. All staff are welcome to purchase more. For leaders not in sports - jeans, slacks, capris or shorts that come mid-thigh will be acceptable.
