Town of Teplice

František Hrdlička (1956 - 2014)

In the memory of long serving president of our football club, Mr. František Hrdlička, we decided to organise an international tournament to pay a tribute to that great man who dedicated his entire life to our FK Teplice football club. Your club has been invited to take part at the second edition of such international tournament.

Mr. František Hrdlička joined the football club in 1993, reunited him with local glass company named AGC Flat Glass Europe and guided the club from third league tier in Czech Republic into regular participation in UEFA competitions bringing to his home town matches against clubs like Borussia Dortmund, Celtic Glasgow or Feyenoord Rotterdam. Mr. František Hrdlička had also a lot to do with Czech Football Association serving more than 8 years in Czech FA Executive committee being the opinion leader in Czech professional league establishing process. His football life has surely not been wasted. Therefore we are here to prepare a memorable tournament bringing the biggest talents from the Central European region.

International tournament in U19 category

The second edition of International tournament dedicated to Mr. František Hrdlička is organised for U19 age category (players born in 1999) and will take place in the end of July on the fields and stadiums in town of Teplice. Six teams will play in two groups on Friday 28th July and continue to final matches on Saturday 29th July 2017, when FK Teplice will be the defending champion.

It is an honour for us that you decided to accept our invitation and will take part at the second edition of František Hrdlička Memorial 2017.

Participants of second edition of this tournament are SG Dynamo Dresden, Budapest Honvéd FC, Zaglebie Lubin, FK AS Trenčín, Bohemians Prague and FK Teplice as organizers. Two days tournament guarantees three matches within 2 days. FK Teplice as organiser will cover all accommodation, feeding and organising costs together with final match to be played at Teplice main stadium for more than 15.000 fans.
