Board of Director's Annual Meeting

Monday, September 17th • Lunch 11:30am—Meeting 12:00pm

All members are encouraged to attend the Annual Meeting to learn more about the status of The Center. We will thank our outgoing Board Members, John Harper & Heather Olson. We will welcome incoming nominees, Carla Schlingman, Julz Tesch and Pam Rezac.

Serving Swiss Steak • RSVP: 665-1055

The Board of Director's and Executive Director would like to congratulate Kriss Thury on her promotion to Assistant Director of The Center. She has served as Administrative Assistant for 6 years taking on added responsibilities with grace and success. Over the past couple of years, Kriss has supervised our janitor, the inmates and more recently our Meals on Wheels Coordinator. Since Christy's accident she has had to step up in many ways. She has proven to be a leader and is ready for this next step in her career. Kriss will now manage our Head Cook, Paula Fontenot. She will delegate some of her responsibilities to our new Office/Nutrition Assistant, Sara Kruse. We are blessed to have Paula who is not only a great cook, but a great leader, who will manage the kitchen operation. Sara is knowledgeable about integrating social media and marketing and has exceptional computer skills. Paula, Sara and Kriss will absorb the role of the nutrition coordinator. Our inmate population has temporarily been suspended as we finalize our restructuring plan. We are obligated to provide a comprehensive inmate oversight plan to the DOC. We are working on it and hope to have it finalized in the weeks to come. We have also been fortunate and blessed to hire temporary help to keep our operation running. Preston & Heidi are doing an amazing job. We want to thank all the volunteers who have pitched in during this transition. We needed you before and we certainly need you now and ask for your continued patience and understanding. We want to thank our entire staff for reaching deep and giving more. There is no question everyone has had to work harder and smarter to do more with less. We are grateful for our staff, volunteers, board members, members and inmates. Soon our inmates will return and we will have a full trained staff.

Help us thank Kriss & Paula for taking on more responsibility and welcome Sara to our great organization.

Board of Director Candidates

Meet our candidates at the Annual Meeting on September 17th

CARLA SCHLINGMAN (Broker/Owner)
Century 21 Professional Real Estate

I have been a realtor for 13 years. It has always been a passion of mine to assist new or seasoned buyers/sellers with their real estate needs. I have been married for 37 years to Jim Schlingman, System Administrator at Kolberg Pioneer, Inc. and we have 3 grown children, Matt Schlingman and his son Evan in Omaha, NE, Sheena (Kevin) Schramm and their son Owen in Yankton and Mitch Schlingman, architect student at SDSU in Brookings. My hobbies include golfing, camping and baking when time allows. I look forward to serving on the Board of Directors of The Center as I feel strongly about what The Center has to offer our community and it would be a pleasure supporting its mission.

JULZ TESCH (Branch Manager)
First Dakota National Bank

I have worked at First Dakota National Bank's North location since 2005, where I was recently promoted to the Branch Manager position. I truly enjoy working with my customers and making sure their financial needs are fulfilled. Building those relationships and helping customers reach their short-and long-term goals gives me great satisfaction. I was born and raised in the Yankton area and can think of no place better to live. My husband, Wiatt, and I were married in 2009 and we have 1 daughter, Tenlie, who is 2 years old. I enjoy many hobbies, but especially those where I can spend time with my family.

PAM REZAC
(Retired/from Avera Sacred Heart Hospital)

Pam Rezac has been retired for 3 years now as the President & CEO of Avera Sacred Heart Hospital. I started my career as a registered nurse at Methodist Hospital in Mitchell. From there, I became patient care administrator and CEO of Landmann-Jungman Hospital in Scotland. I joined ASHH in 1980 as vice president of patient care and then served as vice president of administration. In 1992, I became the vice president of health care services for Avera Health and provided leadership to further develop Avera Health. In 1997, I was named president and chief executive officer at ASHH and regional president of Avera. I look forward to working with The Center.

Longer Walks

He lives for our daily walks together. But when my foot pain slowed us down, I decided to see my Avera podiatrist. We chose a treatment plan right for me and the pain disappeared. Walking my dog finally feels like a walk in the park.
