# 2017 PRAIRIE RESTORATION ROUNDUP

THURSDAY, OCTOBER 5, 2017  
9:00 AM to 3:00 PM

## WORKSHOP RATING

## RESTORE YOUR LAND!

Prairie restoration is attracting a great deal of interest. Prairie plants are drought resistant, don't need large inputs of fertilizer, and can be a boon to both cattle and wildlife. Join the best of the best conservationists in southeast Texas for a day of hands-on demonstrations and insightful discussions about restoring prairie on farms, ranches, private residences, parks, and more!

## ABOUT THE KATY PRAIRIE CONSERVANCY

As a nonprofit land trust, the Katy Prairie Conservancy (KPC) works to protect greenspace for its conservation and recreational benefits.

KPC enhances wildlife habitat, restores tallgrass prairie and wetlands, sponsors scientific research, and introduces the general and school-aged public to the sights and sounds of the prairie through programming and activities.

**LOCATION** KPC Indiangrass Preserve - Waller, TX

**WHAT TO BRING** All participants should wear long pants, close-toed shoes or boots, and a hat.

**EVENT CONTACT** (281) 660-6683

**COST** \$35/general public and \$25/students and Texas Master Naturalists

**RATING** Novice and Intermediate Levels

**REGISTRATION** REGISTRATION IS REQUIRED  
Register at [katyprairie.org/events](http://katyprairie.org/events)
