

Introduction to the Disability field

- short course

Do you enjoy working with people?

Do you enjoy being challenged?

If yes..... have you thought about working in the field of Disability!

This course aims to provide a taster to gain an understanding and practical work experience for people like you who maybe considering work in the Disability field.

It covers topics such as:

- Disability Awareness
- Job expectations whilst providing support to people with a disability
- Health and safety
- Different types of job roles in the disability sector

This course also includes one day volunteer placement, allowing you to gain hands on experience at one of our sites of your choice. (Langwarrin, Hastings, Cranbourne)
