

THE MAHOGANY

Term 3

It has been a very busy term with lots of events, excursions and visitors coming into the school. We have had our school review and we are participating in the Frankston North educational hub discussions to look at the future of education in Frankston North.

We will have a big term 4 ahead so students and staff can take a well-earned break for a couple of weeks to recharge the batteries. I'm hoping that a Tigers win on Saturday will be the perfect way to start the holiday period for me!

Kitchen Update

We have appointed a cook and our lunch program will commence on the second week of term 4. More information will be sent home in the first week of next term.

Frankston North Educational Hub -Parent forums

As part of the Frankston North Hub development there will be a series of meetings and consultations had with students, staff and parents over the first few weeks of next term. There will be a forum held at the Frankston North community centre on Tuesday 24th October at 4pm and 7pm. There will be more information about these sessions closer to the time. All staff and parents will be given an opportunity to participate in a survey and it will be good to have our voice heard in the deliberations going forward.

Curriculum Day

We will be having our next curriculum day on Friday 27th October. The school will be closed on that day.

Staff News

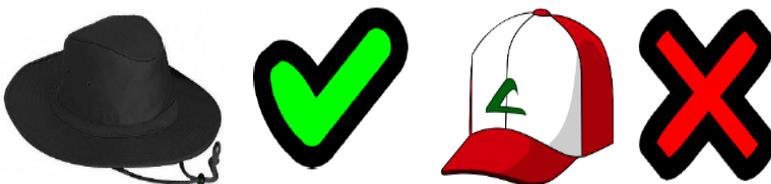

Mrs Whitelaw will be on Long service Leave for all of term 4 and we have a replacement teacher appointed to cover the classes. Her name is Mrs Julie Fisher. We look forward to welcoming Mrs Fisher to Mahogany Rise.

Enrolments for 2018

We are still on the lookout for students for next year and if you see or hear of anyone looking for a school then send them our way.

Hats

Term 4 is hat time. Everyone should have their broad brimmed hat securely on their heads. We are a Sun smart school and it is a school requirement that every student wears the correct hat.

Busy busy 5/6 H

5/6 H have had a very busy term. They have created a film – Altogether, with the help of the Polyglot Theatre team. They have endeavoured to expand their imagination with their paper creations, from costumes and paper planes to brick walls with graffiti.

During reading and exploring poetry have continued to be creative with shadow puppets to explore the meaning of the poem 'If' by Rudyard Kipling.

On Fridays 5/6H have become scientists at Monterey Secondary School! We have experimented with liquids and solids, colour and light.

We have met our literacy buddies with the help of Ardoch and enjoyed learning through Lunch at Chisholm.

Yummy food!

Great company.

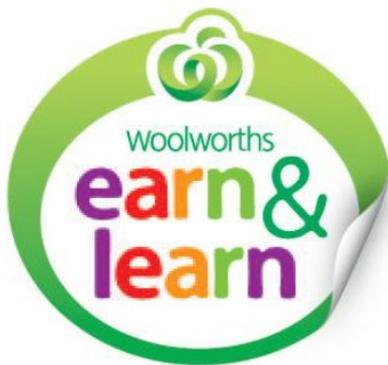

Parents & Friends Update

Next Parents and Friends Meeting is on Wednesday 11th October at 9am in the Staff Room. All Welcome!

Footy Day!

Thanks Kellie & Fafo for helping to prepare our 100 hot dog orders!

Earn & Learn

Thank you to everyone who supported our school during the Earn & Learn promotion. We are currently finalising the sticker count and have earned over 4,000 points, and we are certainly looking forward to ordering some new resources for our school!
