Kitchen Grand Opening – Monday 16th October

It is finally happening with our kitchen about to launch itself with the first lunches being cooked next Monday. I have sent home a letter which explains briefly what is happening. It is quite simple for parents- you will no longer need to provide any food for your student at school.

No doubt there will be some teething issues so be patient and feel free to give any feedback once the program is up and running.

The education department will be filming the first day and conducting interviews with some selected students and staff.

Frankston North Education Plan

This is an exciting time for Frankston North and as part of looking at the future educational needs and requirements in the area there is some research being undertaken over the next few weeks. We will have a pop up booth on the school site next Tuesday from 3-4pm. Computers will be set up in the corridor for parents to fill out the survey electronically. It is your chance to have a real say in what is happening so make sure you take the opportunity.

You can do the survey from home if you wish, the link is: engage.vic.gov.au/fnep

Richmond Premiership

What a wonderful end to the footy season!! Richmond taking out the premiership has meant that this year becomes even more special. I have watched the game a number of times just to make sure that I am not living in a dream world or some parallel universe. Each time I watch we keep on winning so very happy about that. I may have to watch it a few more times over the next few months to remind myself just how good it is to a supporter of the Mighty Tigers!

Term 4

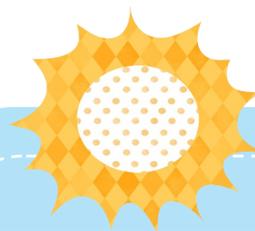

Term 4 is always busy with lots to do. It is also a very important term for student learning. It is a time to consolidate the learning that has taken place over the year and end of year testing takes place. Students need to be here every day to make the most of their educational opportunities and to complete the year on a high note.

Enrolments for 2018

We are still on the lookout for more students for 2018. Please encourage neighbours and friends to think about coming to Mahogany Rise next year. We have spaces in each year level.

New staff

We have some new staff for term 4 – Mrs Julie Fisher will be taking the Art/Library role and Mrs Linda Ross will be working in 5/6 H as an ES support staff for 3 days per week. I'm sure you will give them a very warm Mahogany Rise welcome when you see them.

Mahogany Rise is very excited to welcome our new Chef - Melissa Wilson.

Melissa will be cooking our delicious lunches from Monday.
