## TIMES

From the Principal—John Culley

### Prelim final

A big week in football this week. The Tigers take on the Magpies for a spot in the grand final. It will be an action packed game no doubt and to the victor goes the spoils. Of course it will be the mighty Tigers who will win their way through to the big event a week later. I look forward to the coming two weeks of footy.

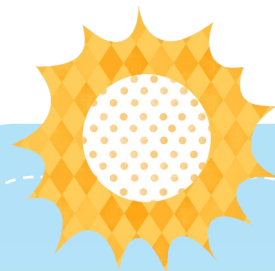

### Footy day parade

We will have our own footy parade on Friday at 10.30am. A note has gone home with all the information so come along and join in the fun. All Richmond supporters are more than welcome to wear their footy colours with great pride!

### 4/5 Camp

The students and staff have had a fabulous time away and everyone thoroughly enjoyed the experience. The stories of the adventure will live on for many weeks to come.

### Assembly

Our assemblies run on a fortnightly basis.

They will be held on Monday afternoons at 2:30pm and it is an open invitation for parents and friends to come along.

Tegan (5/6S)  
Ashleigh (5/6S)  
Liam (4/5R)  
Nick (3/4W)  
Riley (1/2H)  
Teono (5/6S)  
Sky (2/3S)  
Madi (Prep)  
Amber (5/6S)  
Alex (1/2H)

## From the Principal—John Culley

### Trivia night

We had 100 plus people turn up for our trivia night which was a great result. We raised a significant amount of money to assist with our funding of the Europe trip. A big thank you to Shannon for all her hard work in making it all happen.

### Europe trip

Our trip to Europe is getting closer and we will be heading off on Sunday October 28<sup>th</sup> and returning on Wednesday 14<sup>th</sup> November. Final plans are being drawn up and after the holidays there will only be 3 weeks of school before we fly out.

### Term 4

The last term of the year is always a busy one with assessments, report writing and our usual array of activities. Make sure you keep up with all that is happening through our website and Facebook page.

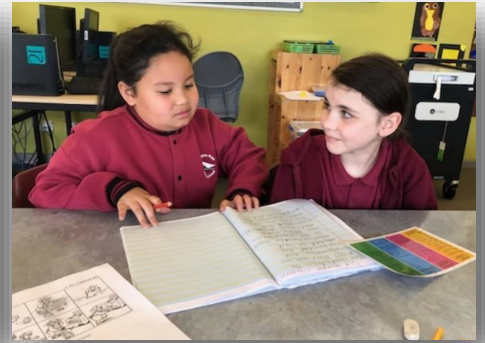

### Holidays

Have a safe and restful holiday and make sure you keep up with all of the home reading whilst away.

## What has been happening in 3/4W

It has been a very busy term in 3/4W. We started off the term with a visit to the Melbourne Zoo, where we learnt about endangered animals.

We have been practicing our typing skills in ICT and developing our understanding of fractions in Numeracy. The students have been learning about the features of narratives and have thoroughly enjoyed writing and publishing their own stories.

A lot of fun was had as the students dressed as their favourite book characters for Book Week. They completed a variety of activities and enjoyed making a class big book, which they proudly illustrated.

A great afternoon was had by all as we celebrated Father's Day with someone special. The students have also worked hard and produced some fabulous portraits of themselves in Art. Congratulations to some of our Grade 4 students who participated in the Interschool sports and the lightning premiership.

## Term 4—Hats

Just a reminder that next term students are required to wear broad brim hats during all outside play. If you do not already have a hat there are some maroon or black broad brim hats at Best and Less for \$10.

## Trivia Night

On Saturday 15th September was our annual Trivia Night. The night was filled with hard questions and lots of laughs. It was a great night and was good to see the community get together to help raise funds for our Overseas Learning Experience to Europe this year. The Rokon table were the lucky winners for the night. A huge thank you to everyone that came to support or helped along the way with organising.

## Portals of Possibility Performance

It was a sensational turn out for the amazing Project C - Portals of Possibility performance by 5/6S last Thursday night. Thank you for all of your hard work Wilson, Anna, Grace and Brenden in supporting our students to put together an outstanding performance. Also a big thank you to Mel for the delicious food.
