- 4 Allotments are let to tenants solely as allotment gardens as provided for in the provisions of the Allotments Acts 1908 to 1950 as to allotment garden tenancies, and the provisions of those Acts apply accordingly. Allotments are to be wholly or mainly cultivated by the tenant for the production of vegetables or fruit crops for consumption by the occupier and his/her family.
- 5 Tenants may only use their allotments for their own cultivation and may not carry on, or permit to be carried on, any trade or business involving the allotment. A maximum of two 10 pole plots per household are allowed.
- 6 The Council and the Society, their accredited representatives and persons acting on their behalf or with their permission shall be entitled at any time to enter and inspect any allotment, and carry out any works or repairs required or authorised by the Society or by the Council.
- 7 Tenants must not do nor allow anything (in relation to the tenant's allotment) which is inconsistent with, or in breach of, the provisions of the lease (which the Society shall make available for inspection by the tenant on demand).
- 8 If any notice is served by the Society in respect of any breach of the terms of this agreement, the tenant shall immediately comply with such a notice and carry out any work required by the notice.
- 9 Tenants must not:
 - transfer, assign, sublet, part with possession of, or otherwise deal with the allotment or any part of it or with any interest in it;

- grant or purport to grant any right, interest, licence, or easement in or over or under the allotment;
- do in connection with the allotment any act or thing which may be, or become, illegal or a nuisance to the Council, to the Society, to other tenants or to the owners or occupiers of other property in the neighbourhood;

- cause, or allow to be caused, any damage to or theft of any property, including crops, belonging to other persons or the Society.
- leave any rubbish on the site; members must take their rubbish off the site for responsible disposal.

10 Tenants must:

- inform the Society of any attempt by the owners or occupiers of other property in the neighbourhood to encroach on or acquire any right or easement over the allotment, including any unauthorised access to the site;
- cooperate as far as reasonably possible with the Society and its officers in ensuring the efficient, effective and harmonious running of the site;
- inform the Society immediately of any change in their address or other contact details.

11 The Society is not responsible for any loss, theft, damage or injury to any persons or property on the allotment site, and all persons who enter the site do so at their own risk.

12 Tenants shall observe and perform any special condition which the Society considers necessary to preserve the allotment from deterioration, and of which notice shall be given to the tenant in accordance with these terms and conditions.

 - erect any notices or advertisements.

Sheds may only be erected at one end of the plot; including shared plots where there will be a shared space at one end for sheds.

- 18 Structures, fixtures and the like erected or installed on an allotment shall remain the property of the tenant during the term of the tenancy. Upon the expiration or termination of the tenancy for whatever reason, the tenant or his or her personal representative shall be entitled to dispose of such structures, fixtures and the like to whom and on such terms as they may desire, including sale to an incoming tenant, or remove such structures and fixtures and any produce. If the outgoing tenant neither disposes of nor removes such structures, then an incoming tenant may either enter into possession of these structures without payment or cause these structures to be dismantled and removed and to charge the outgoing tenant the cost of these works.
- 19 Upon the termination of the tenancy of an allotment the tenant shall, if required to do so by the Society, remove from the allotment all his/her property of any kind within 14 days of such termination, and shall make good any defect to the allotment caused by such movement. - 21 Fruit trees and bushes must not be planted within 1 metre of - nor hang over or encroach upon - roads, paths, fences or neighbouring allotments, and should not exceed 5 metres in height.
- 22 All trees must be regularly inspected and properly maintained to the satisfaction of the Society.

PATHS, ROADS AND BOUNDARIES

- 23 Subject to clause 24, tenants must keep in repair, to the satisfaction of the Society, every path or road bordering their allotment, and keep any hedges or verges bordering and forming part of their allotments properly cut and trimmed, except such paths, roads and hedges which the Society has agreed to maintain in good order.
- 24 Where there is a border path between allotments, the tenants of each of those allotments are jointly responsible for maintaining properly, and at a width of no less than 0.5 metres, the path between their allotments except that, by mutual agreement, the tenants involved may agree that one or the other of them will be solely responsible for maintenance of the path.
- 25 The Society reserves the right, acting reasonably, at the end of any tenancy year and having given reasonable notice, to re-define the boundaries of any allotment and re-calculate the rent if it believes this to be necessary to promote the efficient and effective management of the site.

- 36 This tenancy shall terminate forthwith whenever any tenancy or right of occupation of the Council shall terminate.
