Welcome New Members May 2017:

Laura T. Roxane R. Patricia T. Rick S.

Congratulations CCC Clubhouse Volunteers! The CCC Clubhouse Volunteers were awarded the Linda Lee Martens Community Health Hero Award for all of Island County. The award ceremony was held in Coupeville May 24th. Sally Coffey, Ken Strong, and I drove over to represent the clubhouse volunteers and accept the award. Island County Commissioners spoke about the Clubhouse history and presented the award. I am very proud of all the wonderful volunteers. I am so happy that YOU were all recognized for all the hard work that has gone into keeping the clubhouse open and operating since 1979. *The award is displayed at the front desk office by the clock.*

Did you know? The CCC Website has all kinds of clubhouse and CCC homeowner information. You can download membership applications, schedules, venue rental information, and Beach property owner documents. Check it out! camanocountryclub.com **Yorlly Stites-Office Manager**

FROM THE CLUBHOUSE COMMITTEE

Let's hope our weather gets a whole lot better pretty soon. I've had it. Have you noticed that we now have a vending machine in the closet on the main floor?

Many thanks to Wendy R. and all her helpers for a very successful garage sale; another outstanding job. Well done!

Please try to volunteer at the Clubhouse. All help is greatly appreciated.

Clubhouse Committee Chair, Sally Coffey
