Clubhouse Updates: The clubhouse relies on the clubhouse membership dues & volunteers to keep operating. Without the volunteers there would be no clubhouse in this wonderful community of Camano Island. I have been here 10 years and I have seen many people come and enjoy the use of this place for its unique fitness and social membership. This place is not fancy but very basic. No bells or whistles. We offer a place for you to work out, meet friends, swim and bring the kids or grandkids down for a swim. The income from dues/rentals/etc. goes back into operating this place. Many amazing people take pride in helping out to keep the front desk staffed or chairing an event or fundraiser.

The clubhouse membership count is currently down. So yes, we need your membership support and we need you to tell your friends and neighbors about the clubhouse. The opening of the much needed YMCA in Stanwood has affected the clubhouse membership. It is new shiny and bright. They have different things to offer than we do. The clubhouse might not be for everyone, but yet the YMCA might not be for everyone either. We need everyone's help to get the word out!

If you have ideas that YOU can help put into action please come chat with me. It is all appreciated it. I also have ideas, but need help to put them into action.

The first idea that is being implemented is the clubhouse name. The new name will explain what we are to the community. I need help with media & social networking. So I

FROM THE CLUBHOUSE COMMITTEE

What's New from Sally's Desk:

We recently joined the Chamber of Commerce so we now have the opportunity to market our Clubhouse to more Camano Island residents. We began earlier in the year with the Port Susan Wedding Show. Now we have a chance to set up a table or booth at Terry's Corner Farmer's Market this summer, each Monday from 3 to 7pm. We need volunteers meet and greet those attending the market each Monday, as well as someone to set up and take down our table and equipment. This is a great way to help us gain membership. Please volunteer to help us out.

Brochures, party venue and Clubhouse activity pictures as well as Clubhouse sign up forms and pricing information will be provided.

Please call Yorlly at 360-387-1655 for more information.
