A Smile for August

The police officer got out of his car as the kid who was stopped for speeding rolled down his window. 'I've been waiting for you all day,' the officer said. The kid replied, 'Yeah, well I got here as fast as I could.' When the cop finally stopped laughing, he sent the kid on his way without a ticket.

Correction

Our Gardeners

In the July newsletter we incorrectly stated that "Judy H has spent the last 10 years tending the gardens" when she actually has spent the last 23 years working the gardens.

We apologize for the error and commend her for almost a quarter decade of devoted attention to the gardens.
