

EMERGENCY

SOLUTION FOR HEALTHCARE

Build Safer Hospitals

With Verkada, instantly strengthen critical security infrastructure across hospital locations. Verkada's intelligent, plug-and-play video security system makes it simple to scale coverage while ensuring HIPAA compliance to protect patients and staff.

Why Healthcare Facilities Choose Verkada

Scales With Ease

Cameras can be installed anywhere without the need of NVRs or DVRs.

Monitor Anywhere

Access footage from any device — no downloads required.

Protected From Tampering

A built-in accelerometer detects any tampering and sends instant alerts.

Bandwidth Friendly

At just 20-50 Kbps in a steady state, scale without impacting your network.

High Image Resolution

See events in high image quality, including options in stunning 4K.

Share Feeds Instantly

Easily share live and historical footage via link or SMS.

Limit Liability

Cameras capture time stamped continuous footage.

Stays Safe & Secure

Traffic is fully encrypted and cameras receive automatic firmware updates.

Security Without Compromise

HIPAA Compliant

Protect patients and staff with defaults for enabling highest security settings.

Detailed Audit Logs

Instantly see activity across your organization from a centralized audit log.

SAML/OATH Authentication

Integrate with leading SSO and 2FA security vendors including Okta, Duo and more.

Hybrid Cloud Security Solution

No NVR or DVRS

Industrial-grade solid state storage saves up to 365 days of video

Easy to Scale

Bandwidth-friendly cameras operate at just 5-20kbps

Centralized Management

Modern platform enables secure access on any device

Security Cameras

DOMESERIES

Built for durability, Verkada's Dome Series delivers enterprise-grade security in a wide range of options for any indoor or outdoor environment. Each dome features a discreet vandal-proof design, simple installation, and 8x more processing power than the previous generation.

MINISERIES

Designed for flexibility without compromising on image quality, Verkada's Mini Series delivers enterprise-grade security with powerful performance for advanced edge-based analytics. With minimal form factors, Verkada mini cameras are perfect for high-traffic indoor environments.

FISHEYESERIES

Verkada's fisheye captures footage in a dynamic panoramic 180°, with options for wide-viewing angles or breaking down any area into quadrants. Capable of being mounted inside or outside, this camera is suitable for any number of surveillance needs.

Industry-Leading Warranty

Verkada offers a 10-year product warranty included with the purchase of your Verkada system.
