Registered UK Charity No 1153784  
Supporting pupils at Sikkim Himalayan Academy and other Sikkim schools

## TRUSTEES ANNUAL REPORT PERIOD 1 April 2013 to 31 March 2014

### SECTION A Reference and administration details

Principal address: Fairlight  
31 Lower Stoke  
Limpley Stoke  
BATH BA2 7FR

Trust established 1<sup>st</sup> June 2013. Registered with the Charity Commission 12<sup>th</sup> September 2013

#### Trustees:

Trustee name	Office	Dates acted	Appointed by
Margaret Jean Finlayson	Chairperson and Treasurer	1 <sup>st</sup> June 2013 to period end	
Michael Patrick Henry Daniel	Secretary	1 <sup>st</sup> June 2013 to period end	
Barbara Taylor		1 <sup>st</sup> June 2013 to period end	

The charity is managed by the trustees.

### SECTION B Structure, governance and management

The Children of Sikkim charity is governed by a trust deed, and is constituted as a trust. New trustees are appointed by the existing trustees.

The background is that the Friends of Sikkim Himalayan Academy (FSHA) was established in UK by Magi Finlayson in 2003 as a means of supporting the school of the same name in Sikkim, North-East India. She was a founding organiser of the school, with 25 years' experience as a primary teacher. The UK activities consist of seeking out sponsors, ad-hoc fund raising and organising volunteers, as well as approximately bi-annual visits. These activities have operated in cooperation with a Dutch charitable trust, Sticing Kinderen van Sikkim, with 4 trustees one of which is Magi Finlayson. In July 2013 the accumulated funds of FSHA were incorporated into the trust. The name reflects the fact that in latter years a second smaller school has been established in the north of Sikkim, meaning that SHA is not the only beneficiary. Also, some of the first intake have moved on to secondary school, where they continue to be supported.

## SECTION C Objectives and activities

### The Objects of The Children of Sikkim charity

These are:

To advance the education of pupils at Sikkim School, Sikkim, North East India by providing and assisting in the provision of facilities not required to be provided by any government or local authority or any other public body.

For the public benefit to promote the education of such persons in such ways as the charity trustees think fit, including by:

1. awarding to such children scholarships, maintenance allowances, and grants;
2. providing or contributing towards the cost of teachers, equipment, buildings and boarding facilities at the school;
3. providing their education to undertake travel in furtherance of that education and to assist them by providing grants, maintenance allowances or paying fees for them to attend at any further schools, universities or colleges, or to prepare them for entry into any occupation, trade or profession on leaving any educational establishment;

To assist in such ways as the charity trustees think fit any charity in place whose aims include advancing of education of persons under the age of 25 years by developing their mental, physical and moral capabilities through leisure time activities.

### Summary of main activities undertaken for the public benefit

Sikkim School otherwise known as Sikkim Himalayan Academy <http://www.sikkim-himalayan-academy.co.uk/SHA/Welcome.html> was founded in 2003 by UK and Dutch individuals. It educates children from the age of 5 to 12, then supports their continuing education. The majority of children live at the school during term-time and the school provides full board. Funding is partly from the UK and partly from a trust in Holland. The school employs teachers in Sikkim but also uses volunteers from all around the world. Volunteering is organised from the UK. Since 2003 an offset arrangement has meant that money paid in the UK for the sponsorship of pupils has been retained in the UK and passed to a reserve account to fund the building of a school; at present the school is in rented buildings. All trust personnel work on a voluntary basis and meet their own expenses.

The benefit to the public is to be able to support the education of poor and disadvantaged children in a remote part of India, which changes their life prospects. In 2013 a pupil from the school entered Delhi University as an undergraduate.

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

## SECTION D Achievements and performance

During 2013/14 the charity continued to recruit sponsors, who make a regular contribution to support the education of a named child. At year end Children of Sikkim had 25 sponsors supporting 35 children at Sikkim Himalayan Academy, and 4 sponsors supporting 4 children at a second school Dzongu which is aided by but not run by Sticing Kinderen van Sikkim (the Dutch Trust). Two of the sponsors are corporate. At period end the total number of children at Sikkim Himalayan Academy was 81. As in

previous years under Friends of Sikkim Himalayan Academy, the charity paid for pupils in secondary education at Dr Graham's Homes, Kalimpong, West Bengal, which is close to the state border of Sikkim. This is a school founded in 1900 by Reverend Dr. John Anderson Graham a missionary of the Church of Scotland. The payments were made to the UK Committee Dr. Graham's Homes, a charity based and registered in Scotland (SC 016341). The purpose of the offset arrangement is to avoid unnecessary currency exchange losses. 4 pupils were paid for in this way in this year of activity.

In addition, the principal achievements during the period were:

1. the creation of the trust
2. its registration with the Charity Commission on the 12<sup>th</sup> September 2013
3. its registration with HMRC as qualifying for Gift Aid, from the date of registration with the Charity Commission

75% of eligible sponsors had signed Gift Aid Declarations by period end.

## SECTION E Financial review

The charities policy on reserves is to hold a minimum equivalent to the value of one year's sponsorship. Current reserves are much more than that, because the trust was set up with substantial reserves accumulated through additional fundraising by Friends of Sikkim Himalayan Academy. These are intended for the building of a new school and will be disbursed as soon as feasible.

During the period, the principal source of funds was sponsorship.

## SECTION F Other optional information

Since the purpose of the reserves is, together with the Dutch trust, to fund the building of a school, this section for the time being will report on progress in that regard.

The Dutch trust made a down payment on land in 2008. The barriers to moving to construction of a school have been:

1. Problems with legally transferring funds into Sikkim. This has been overcome by coming to an arrangement with Building Blocks of India, an Indian charity that supports several schools in other Indian states. Funds are now channelled through them.
2. Uncertainty about whether land can legally be bought outright by an entity outside Sikkim, which would affect Building Blocks equally.
