with horses
for learning and growth*

Windhorse Equine Learning is a non-profit 501(c) (3) organization that provides equine-assisted learning (EAL) experiences to Bozeman-area youth ages 8-17. With the horse as partner, our program builds confidence and self-esteem by teaching horsemanship, leadership, partnership and responsibility. The program also stresses communication, empathy, trust and respect as critical concepts in the horse/human relationship. The Windhorse program is especially beneficial to youth who are in transition, struggling with relationships, communication, or academics, those who lack confidence or suffer from anxiety. Windhorse is offered in 6-week sessions during the spring and fall and in week-long summer camps held in partnership with MSU's Equine Science Program and the Gallatin Valley YMCA. Windhorse provides scholarships to all families in need of assistance.
