

Application for Motor Carrier Authority

Shown below is an application that will provide us with basic information that is needed to file for your authority.

After completing the form, please contact us at 563-554-3458.

AUTHORITY: The cost to obtain your authority is \$479. This includes both a DOT and a MC number, the filing fee, the BOC-3.

UNIFIED CARRIER REGISTRATION: The day after we file, we can generally take care of the UCR registration for you if you want to get it out of the way. The cost for 1 or 2 trucks is \$96.99. You can delay this filing until you are ready to start operating but it is important that you don't forget it as it is something enforcement officials always watch for.

EXPEDITED SERVICE: If you would like a copy of your license the morning it is issued, we can setup an expediting service to provide you with a PDF copy of your MC license the morning it is approved so you don't have to wait another 7 to 10 days for your license to arrive in the mail. The cost for this expedited service is \$30.
