Intermediate/Senior Phase E-learning E-levy News Flash

2017-10-31

Dear Parents and/or Guardians of the Intermediate Phase and Senior Phase Students,

We would like to thank you for your continued support. We are very proud to say that we are nearing the end of our fourth year of this fantastic e-learning journey. We have had a very successful year, the programmes of Mathletics and Reading Eggs were introduced. We are in negotiation with developers in developing our own App to enhance Basic Maths and English Skills. We are hoping to introduce our new customized app in 2018.

At the AGM held on the 26th October 2017, the resolution was passed that an annual e-learning levy of R350 (Grade 4-7) per child be paid. It was discussed that this levy should be paid before the end of January 2018. *If, however, you are able to pay this levy before the 1st of December 2017, it would be greatly appreciated as it would assist us with the planning for 2018 and this would allow your child to wear civvies for the 4th, 5th and 6th of December, 2017.* If you are going to EFT the money, please ensure that you put your **child's full name, surname and E-levy for the reference**. Any monies paid without this reference will go to school fees.

Please note that should you not pay the e-levy, your child will not be able to make use of their tablet at school. This levy will ensure your child has connection to the school's Wi-Fi, access to all of the textbooks, Moodle, BPS Portal, Purple Mash, our new customised app, Matific, Mathletics, Reading Eggs and other apps or games we are in the process of purchasing and implementing.

The tablet specifications letter has already been issued to your child with the stationery requirements. However, if you would like a copy of the tablet specifications letter please download it from the communicator or school website. Thank you once again for your support. Please contact the school on (011) 900 1000 if you have any comments or concerns.

Yours in e-learning,

Mrs. A. Burger
Principal
