PLEASE NOTE:

Due to popular demand we have now, once again, added ham and hotdogs/cheese grillers to the menu.

The suppliers have also issued a Clearance Certificate certifying that the products are safe. These products are tested weekly and a Clearance Certificate will be issued on a weekly basis.

COMMUNITY OUTREACH

Term 2 collection:

Coins:

Wow! Thank you for the great response! We raised R2955,00 for the CHOC Foundation for childhood cancer. For a school of 1500 learners, that's R2 per child. We would like to set a bigger goal this term.. if each child brought R1 per week, ie. R10 per term, we could donate a very substantial R15 000,00 to TLC Home for abandoned babies. We can do this! Please send coins or notes to your child's class teacher. Thank you SO much in advance, Ms Pheiffer and Mr Lawrenz.

Matthew Downs Blanket Drive 2018:

In 2017 we completed our first "Matthew Downs Blanket Drive" and collected in excess of 350 blankets and lots of warm clothes! It was SO rewarding to be able to help those in need of warmth.

This year we would like to collect for the following charities:

L.O.T.S. (Life on the Streets Ministry) – blankets, good second hand men's shoes, socks and warm clothes.

Queenshaven – blankets

Epworth Children's Village – Blankets

Christways Religious Centre – Blankets

We would welcome good second-hand clothes and shoes that are suitable for winter. If you are donating blankets, the PEP grey blankets are particularly preferred because apparently the fancy blankets get stolen on the streets. The other more colourful ones will be donated to the children and the aged.

Thanking you in advance for your continued outpouring of generosity.

Hidden Treasures Charity Shop:

Any parents or learners who would like to volunteer on Saturday mornings or in the holidays at the Charity Shop, please chat to Ms Pheiffer. Thank you for the massive amount of donations. All money made on items sold goes towards supporting 270 orphans. Please send

any second-hand toys, clothes, bedding, appliances, ornaments, etc. to Ms Budde.

GENERAL

'Help-U' Advertiser:

The 'Help-U' advertiser is published once a month at the end of the month. The cost of an ad is R50,00 per month. Adverts must be business card size. If you want to advertise in the 'Help-U' Advertiser, please forward details together with the money to Lynn Voordecker at the school office. No pictures – just wording.

PARENT'S CORNER

A Mother's Day Story of Hope By Holley Gerth

The story starts with a wedding, a boy and a girl standing at the altar. They said "I do" and it seemed so simple. Years later when they thought about having children they said "we will" and thought it would be the same. Only it wasn't. Instead of picking out pink or blue onesies they stared month after month at single pink lines on pregnancy tests.

There were tears and prayers, moments of anger and frustration, loss and a little one that slipped to heaven before even a "hello" on earth. They wondered what family would look like for them, if maybe they had done something wrong or had been disqualified.

Then one night she watched a special on television about foster kids who are told at eighteen, "have a nice life," and she wondered who would cheer for them at their college graduation, walk them down the aisle, rock their babies, who they would call when they lost a job or just had a bad day. "That's not okay," she said, "Not okay at all."

In the meantime, God showed her that she didn't have to be a physical mother to still be a Mama. In Genesis Eve is called "the mother of all living." All women are mothers, she discovered, because all women bring life into the world in some way. So she birthed books and her friends threw her a book shower. She got to mother women all over the world with her words. She started to heal but there was still a place deep inside saved for

someone. She prayed for her child who was out there somewhere without knowing a name or face.

Years went by and she was invited to a banquet at Saving Grace, a place for girls who age out of the foster system or would otherwise be homeless. She met a twenty-year old woman that night and she knew almost right away, "This is my daughter." Her husband agreed. It took time. There were lunches and conversations and hugs and misunderstandings and prayers and they did the awkward dance of becoming a family until they knew it by heart. One day that girl, Lovelle, moved into their guest bedroom. Took their last name. Called them "Mom and Dad."

Later Lovelle met a boy and her Dad walked her down the aisle in a white dress. She and the groom said "I do" too.

More time passed and last fall Lovelle called, emotion in her voice, "Mom, I'm pregnant," she said. And I almost dropped the phone because this Mother's Day story is mine. I'm going to be a grandma.

My eyes filled with tears. I thought of Mark and I on our wedding day, meeting Lovelle, becoming a family, her wedding day too and the moment I knew that we would be grandparents. Then I imagined what years from now may hold as I hold that little girl – story times and bubble baths.

If you are hurting this Mother's Day I want you to know I've been there. I wish I could wrap an arm around your shoulder, take you out for coffee, listen long and hard. This is what I know for sure – there is hope and your story is not over yet. It may not look like what you imagined but it will be good because the One writing it is.

If you are celebrating this Mother's Day then I am joining in with you. As a daughter, a Mama, a Grandma, a woman who has come to understand what extravagant grace looks like. I will wrap my arms around my family today. I will be grateful, so grateful, that nothing turned out the way I planned.

Proper stories seem to close with "The End" but that doesn't seem quite right at this moment. Because this feels like it's still only the beginning. There is so much more to come. I can't wait to meet you, Little One.

And finally

Why cats are awesome!

Regards

STUDY COURSE

Friday 18 May (14:00-17:00)

Saturday 19 May (9:00 - 12:00 & 14:00 - 16:30)

The study course is for learners from grade 4 up, and teaches children how to **study effectively**. We work on **learning through association**, how to **remember** what we have learnt, how to **plan ahead**, and how to **answer** a question paper.

A brain profile questionnaire is completed by each learner **before** the commencement of the course. Each learner's brain profile is then taken into account during the course in order to suit their unique preferences. The cost of the course is R1000.00, which includes the brain profile, a baroque CD, a file with all study material and a surprise for each learner to assist them with their newly acquired skills. The course consists of 3 sessions, which must all be attended.

An appointment must be made - at least a week before the course - in order to complete the brain profile questionnaire. A deposit of **R400** is required to confirm the booking. Once the deposit has been paid, an appointment will be scheduled for the brain profile.

The learners learn very useful and practical techniques during the course and they walk out of the course motivated and ready to study.

Die studiekursus word in Afrikaans ook aangebied!!
