**THE  
ALL-NEW  
ALL-ELECTRIC  
MULLEN 700e**

## ABOUT THE **MULLEN 700e**

Mullen 700e is a California-based electric car and battery company focused on clean technology. As a leading developer of advanced Lithium-ion power battery systems, Mullen 700e is comprised of three key business lines: Mullen 700e Automotive, Mullen 700e EV propulsion Systems and Mullen 700e Energy. Together with its JV partners, Mullen 700e is working to reduce dependence on oil and leading the way to a cleaner future through its electric vehicles and stationary energy storage products.

---

Mullen's original supply chain partners include:

**UQM Technologies**

**BorgWarner**

**Continental  
Automotive System**

**Delphi**

**OMITEC**

**Lear**

**Hella**

**Lishen Battery**

In total, Mullen has more than thirty suppliers, and partners on four continents.

---

# THE MULLEN 700e

## LONGEST ELECTRIC RANGE

Drive up to a projected 180 miles on a single charge due to our Active Thermal Management System and 31kWh battery with new battery chemistry, low rolling resistance tires, aero kit and several other improvements to the original vehicle platform. <sup>1\*</sup>

## FAST CHARGE TIME

Get 60 Miles of range in about 2 hours or refill from empty in about 6 hours on Level 2 (240V) charging with Mullen 700e's 6.6kW on-board chargers. <sup>2\*</sup>

## MAKE NO COMPROMISE

Enjoy more energy, regenerative braking and outstanding horsepower and torque with its 100kW/134HP electric motor providing 221 lb-ft of instant torque.

## EASY ACCESS

Save time and money. Mullen 700e qualifies for the California Clean Air Sticker for single-occupant carpool access. Plus, benefit from free parking in some cities, a federal tax credit up to \$7,500 and a growing number of state incentives. <sup>3\*</sup>

<sup>1</sup> Longest electric range in its class. Actual range vehicle performance will vary depending on personal driving and charging styles, speed, conditions, weather and cargo load. See [MullenUSA.com/legal](http://MullenUSA.com/legal) for more information on the listed-data above.

<sup>2</sup> Level 2 EVSE purchased separately.

## Mullen 700e OPTIONS

**6 Exterior Colors:**  
Red, Blue, White, Silver, Dark Gray,  
and Black.

**2 Interiors:**  
Standard Eco-Fabric  
and optional Leather

**2 Wheels options:**  
Standard Silver and optional Black

## FEATURES

Vehicle projected range of up to 180 miles  
All-Electric, zero tailpipe emissions  
Top speed of 85 mph  
Charges in about 6 hours from 220V (30A)  
5 Passengers  
Improved ride over original EV platform  
Full trunk with 60/40 fold-down rear seats  
Bluetooth (r) hands-free calling  
Alpine (r) Navigation System with 7" color touchscreen, 6 speakers,  
AM/FM/CD/DVD, USB port for portable media devices

## SAFETY

Anti-Lock Braking System (ABS)  
Electronic Stability Control (ESC) with Traction Control  
6 Airbags (2 advanced front, 2 front seat-mounted  
side, 2 side curtain)  
Tire Pressure Monitoring System  
Seat BELTS: 3-point, force-limiter,  
pre-tensioner (front only)

## BATTERY

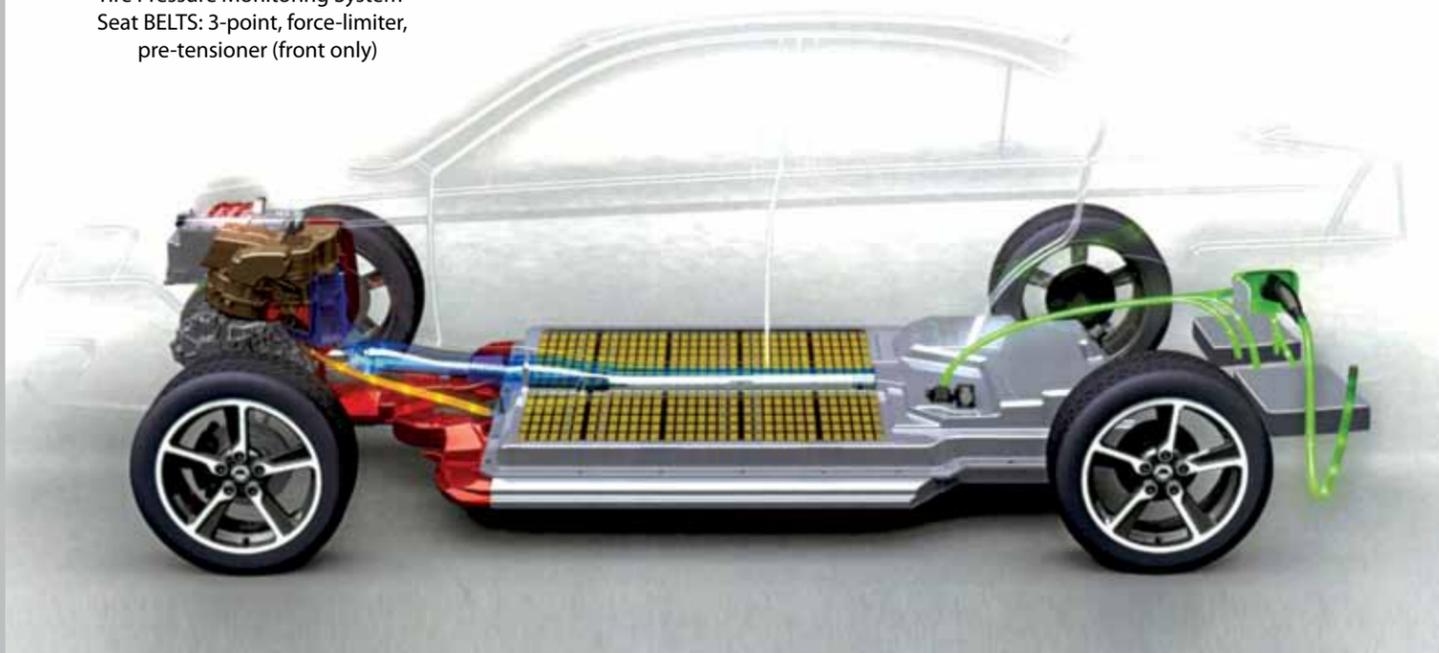

333V, 31kWh, Lithium Iron Phosphate (LiFePO4)  
Battery System  
Independent air-cooled Active Thermal  
Management System

## LIMITED WARRANTY

|             |                      |
|-------------|----------------------|
| New Vehicle | 3 year/36,000 mile   |
| Powertrain  | 5 year/60,000 mile   |
| Battery     | 10 year/100,000 mile |
