BULLETIN  
RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello brethren. I hope you're having a great week. It has certainly been a beautiful one, however, not as nice as last week.

It's hard to believe but our 2019 camp session is in the books. This year's session went very fast, and we had a great week of learning, growth and fun. We had 47 campers this year and everyone had a really good attitude and seemed to have a great time. Our staff also did wonderfully. We had around 20 staff members who counseled, cooked, did crafts, lead Bible studies. I just want to say a big thanks to all. Without the help of so many volunteers we would not be able to even have a session

As most of you know, we had a very nice week weather-wise. In fact, on Thursday at the 10 AM Bible class, it was 62 degrees at the Rec. hall. Yes, we were cold. This is the first week ever I had to actually have Cindy bring blankets for the kids. One counselor even went and got some space heaters. One benefit of the cold is that everyone seemed more relaxed and not as tired. We had absolutely no conflict this year between campers or staff. It was just an exceptional year all the way around and God really blessed us in every way.

Also, let me tell you we were excited to witness 2 baptisms during the week. Two young ladies submitted to God and obeyed the gospel of Jesus Christ. Let's all pray that Emi and Mia will have good, focused and productive lives for their God. It is a real blessing to have them as sisters in the faith.

Please begin to pray for Brent, Casey and Kevin as they are only a couple of weeks away from heading to Ghana. I know they will have a safe, prosperous and productive trip for the sake of God. I will miss going this summer but am glad brother Brent will be heading up this team to help the work in Ghana.

I look forward to seeing you all tonight; what a blessing it will be to gather for our mid-week service and to grow in God's Word. May God bless us all as we put him first in all things. See you there!

## ELDERS' CORNER:

Special commendation for the Ladies who come together on Tuesdays. They have been preparing stuffed pillows and animals for the children in our local hospitals and now they have made some that can be taken by our brothers who will be traveling to Africa this summer. The joy that is expressed on the faces of the children here in the states as well as those in Africa is so encouraging as a little sunshine is brought into their lives by such a gift. Thank you, ladies, for thinking of others and letting the light of your Christian lives shine in other parts of the world as well as at home.

Continue to pray for those among us who are dealing with problems concerning their health and those who are struggling spiritually. Many of our members need encouragement. Why not make it your goal this coming Sunday to pick out 5 people whom you feel need to be encouraged and make a special effort to lift them up with love and kindness toward them.

As elders, we ask for your patience as we are in the process of dealing with so many aspects of the work here at K. E. It is a joy to serve you all and we do appreciate your prayers and words of encouragement extended to us on a regular basis.

Hope to see you all here at every service. We are all so blessed, and we thank God for every blessing coming from His bountiful hand.

Your Elders,  
 Jerry and David

## The Influence of a Godly Wife...

In the same way, you wives, be submissive to your own husbands so that even if any of them are disobedient to the word, they may be won without a word by the behavior of their wives, as they observe your chaste and respectful behavior. 1 Peter 3:1-2
