BULLETIN

RAY'S REMARKS:

Hello brothers and sisters. I hope you all are having a great week and I hope you are staying busy in your daily Christian walk. We had a great Lord's day this past Sunday and it is always good to share our faith with the visitors who were present. Thank you all for being so welcoming to our visitors and showing our family to have the spirit of Christ to those who we don't know yet.

It was been a good summer already and there are many things being accomplished for the sake of Christ this month. We still pray for our brothers and their good work in Ghana. Also, this week is Robbie's Day Camp at Happy Hollow. It won't be long before Brent's session is here. The Couples Workshop is also less than a month away. I hope many of you will take advantage of this opportunity. Also, our VBS is only about a month away. Please keep all of these summer activities in your daily prayers. There is a lot going on for God and I hope many of you are involved in these good opportunities to serve Him.

I talked with Brent yesterday and the classes are back underway at the Missouri Institute of Biblical Studies Ghana. The students are back and ready for more studies. It's sounds like they are staying busy while there, but also getting a lot done for the school and church in the area. Brent also told me that it has been raining quite a bit, this always causes the power to go out. However, I think overall it has been a little cooler because of the rain and thus not so unbearable when the power is out. Let's keep these good brothers in our prayers as they continue this good work. They will be returning next week on the 19th.

Well, I look forward to seeing you all tonight at our midweek service. It will be a great blessing to gather as God's people and to study His Word and to have a devotional period together. Please be present and be a part of this opportunity to worship God. Also, remember that the Lord's day will be here before you know it. Make sure to prepare and be ready to give your God your very best on His day. For we know that God always blesses the faithful and those who love His Will. See you soon.

ELDERS' CORNER:

Please keep brother Jason Scharold and his family in your prayers. Jason was able to get back to Maine this past Saturday to see his mother, Tara, before she passes. Her organs are failing and has only days to live. Pray for them in this difficult time as well as Marissa's pregnancy.

Robbie Heavin's Day camp session is in full swing this week at Happy Hollow. This is a great work Robbie has spear-headed for many years. Pray that they will have a fun, safe session and that the children grow in their knowledge of God's word.

Brent, Casey and Kevin continue to labor in Ghana. They are working with the school there and also visiting congregations in the area. This congregation plays a major role in taking God's word to the continent of Africa. Lord willing, they should be returning home July 19th. Pray for their safe travels.

Scott Richards will be here this coming Sunday. Scott is considering working with the BIM and schools in Africa. Please make an effort to visit with him and his wife Sunday. Scott has worked as a missionary in India in the past and comes highly recommended.

Remember our sick and pray for their needs. Do a good deed for someone this week. Let your light shine for Christ. Love your neighbor as yourself.

Your Elders,
 David and Jerry
