BULLETIN
RAY'S REMARKS:**

Happy New Year!

Hello brothers and sisters! What a great Lord's day we had last Sunday. Thanks to all who were present and who took part in our worship to God. We also had a great day of fellowship as we shared a meal together for lunch. You also did so well to set aside a little extra for our 5th Sunday needs which focus on the Living Word Program. We were able to collect over \$1900 for the television program and some of its final expenses of the year. No doubt we will still have a little more come in to help with this need in the coming week. Thanks be to God for yet another opportunity we all had to show our love for Him!

Today is the final day of 2019. Another year has come and gone, and God has richly blessed us all as His family at Kansas Expressway. Thanks to everyone who did their part to make this year so productive and fruitful in the service of God. It is certainly a blessing to be a part of the wondrous family of God.

I look forward to ringing in the new year with many of you tonight as we gather at the building to ring in the new year. How encouraging it is to sing some songs of praise, to pray before His throne and to read from His perfect word. Better yet, to be with our spiritual family as we do such is a really great encouragement. I hope to see many of you there.

I know 2020 is going to a great year. However, I hope we all realize that this is up to us and the type of attitude we have each and every day. We can make this year another great year or an even better year than previous ones. However, again, it will be up to us to see that this is the case. Hopefully we will all commit to do more for God and to put Him first in all things. Every one of us can do more and can do better, but the question is, "will we choose to do so?" And despite the fact that there will be some trials, hardships and difficulties in 2020 as well, we still are able to make it a great year knowing that God is always with us and will help us see it through. Each and every step the way our creator cares, loves us and will never leave us alone. May we all be richly blessed in this new year and may we choose today to make it one for the record book in our service and commitment to God.

I look forward to seeing you all next year (tomorrow night) for our mid-week devotional period. It's always a blessing to come together as God's people to study and to worship our Creator. I love you all, God bless and Happy New Year!

ELDERS' CORNER:

Happy New Year! It is hard to believe 2019 is gone and 2020 is upon us. We look forward to the new year and encourage you to set goals for coming year - invite your friends to services, conduct a Bible study, increase your giving. Our prayer is that the Lord's Kingdom here @ Kansas Expressway will grow in Spirit and numbers in the coming year.

Thank you for your generosity in our 5th Sunday contribution last week. We were able to set aside approximately \$1900 to offset the production costs of The Living Word Program. In addition, a group of men are working to analyze our budget and help us allocate our resources among our various mission efforts while also meeting the need to repair our roof. We hope to have a budget to present the congregation in the coming weeks.

An issue has arisen which needs to be addressed with the church. Recently, some of our children have been playing, hiding and rough housing in our classrooms. Numerous items were knocked down and strewn across the floor in room 5. Thankfully, no materials were damaged. We ask the parents of the congregation to keep an eye on your children. We love our children here at Kansas Expressway; they are the future leaders of the church. However, we do need our parents to make sure their children are not playing in classrooms or running in the building.

Please remember in your daily prayers our sick, homebound and those who need encouragement. David Guiheen is beginning his cystic fibrosis treatments after his evaluation in Columbia this week.

Remember a second service on Sundays will now be held @ 1:30 PM. We have experimented with this worship time over the past two years and it will be permanent going forward. The majority of the congregation has supported this change, but we understand some may feel different. We ask for your patience and understanding as we make this change.

We commend those of you who read through the Bible in 2019; a sign-up sheet for 2020 is in the foyer. We encourage you to commit to reading through God's Word in the coming year.

In His service,
 David & Jerry
