## RAY'S REMARKS:

Hello brethren, once again from Aboaso, Ghana. I hope you all are doing well. I miss you all and hope you are doing well. Brent and I are doing fine and staying busy here in Ghana.

Since last week's report, we have begun teaching classes at the school. I am teaching General Biblical Introduction, N.T. Greek, and The Preacher and His Work. Brent is teaching Hebrew History and the Minor Prophets. This group of students is a really fine one, and they all seem eager to learn and to grow in their knowledge of God's Word. They seem to be very busy in their studies, but also very happy to have the opportunity to grow in teachings of the Bible.

In the Preacher and His Work class, I have assigned them Bible topics and we are getting to hear each student preach a sermon. It is a lot of fun and good to hear them and to see how they are improving in their skills. We also critique them, so that they can have some good feedback for areas of improvement. It is exciting to see them learning and using their skills.

We also had a great Sunday worshiping with our brethren in Daaho/Borofour. One of our graduates from Zambia preaches there and is doing a great job. We had 98 present and the congregation is only 6 months old. It was a wonderful day of worship.

Starting today (Tuesday) we will begin to visit congregations in the evening, after we teach. While in Ghana we not only teach at the school, but we also visit and encourage local congregations, many of which our graduates are at. There are many churches which need encouragement in this area. Unfortunately, we won't be able to visit them all, but will be able visit many and encourage them in their Christian walk.

On Saturday, we will have a seminar with our graduates. We will also include our current students. This will be a great day of study and growth, and as well we will get to see those who have completed the course before and who are out doing the work of the Lord. Praise be to God for His good work in Ghana.

Please keep us in your prayers as we continue our Labors here in Ghana. We look forward to seeing you all again in about a week and a half. We love you and God bless!

Ray Sullins

## 7 LOVE "NOTS"

"LOVE suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things."  
 1 Corinthians 13:4-7

## ELDERS' CORNER:

"This is the day the Lord has made; we will rejoice and be glad in it." Psalm 118:24 Are you happy? Have you rejoiced today? All of us became distracted by the cares of the world, by hardships and by trials. Remember as you start your day to rejoice in our Lord's creation, to be thankful for our blessings and to be happy!

We thank the men of the congregation who served on our budget committee. They have completed their work and delivered their recommendations to us last Sunday. Pray for us, that we will make wise decisions in the coming weeks and that we will be good stewards of God's blessings.

Continue to pray for Brent and Ray as they labor with the school in Ghana. Pray for their health and safety; pray that the brethren in Ghana will be strengthened in God's Word and that many souls will come to know the saving message of the gospel. Lord willing, Ray and Brent will be returning home February 19<sup>th</sup>.

Our youth will be visiting our home-bound members this Sunday, following our afternoon services. What a great encouragement they are to our shut-ins and the congregation as a whole. This is a great work here at Kansas Expressway that has been taking place for more than 15 years. We thank Mary Patchell, Seth Hass, Matt Koontz and Donny & Jeanna Gardner and others who have helped with this work over the years.

Remember our sick and their caregivers in your daily prayers. Call or send a note of encouragement to let them know you are thinking of them and praying for them.

In His service,  
 David & Jerry
