BULLETIN
RAY'S REMARKS:

I hope everyone had a great Thanksgiving!

Cindy, the kids and I all enjoyed being together with one another as we first went to Kansas City to have Thanksgiving at Nikki and Luke’s house. Then we went on to Jackson, Tennessee and enjoyed another Thanksgiving meal with Cindy’s mom and family. We did a lot of traveling but had a good and enjoyable time. I hope we all took advantage of this time of year to further realize just how blessed we are and all we have to be thankful for. May we all do a better job letting God know just how much we appreciate all He has done, all that He is doing and all that He has promised for us as the faithful.

It’s hard to believe we are already in the month of December and that this year is soon coming to an end. I look forward to spending more time with all of you during this holiday season and I know we will enjoy our fellowship and fun together. Cindy and I have our Holiday Parties planned for December 13 (Friday) and 14th (Saturday). Both parties will begin at 6:00 pm. We look forward to having you all in our home and hope you will join with us in this fun time. Hopefully one of these nights will work out with your schedule so you can be with us and so that we can enjoy this holiday together. As always, bring some sort of holiday snack or food and a \$10 gift for each person in attendance. We hope to see you there.

We are also getting near the end of our quarter at the BIM and all the students are still doing a great job in their studies. We finish December 20 and I know these brothers are ready for a mental break and for a little time of relaxation. It will be nice for all of us to have a little time off from school and to be able to get some other things done, during the busy holiday season. Let me also update you on the schools in Africa. They are all on break as well right now and will begin back at the first of the year. Brethren, let’s keep all these good works in our prayers, as well as each teacher and student in these schools as we continue to strive to accomplish God’s will all over this earth. How blessed we are to be a part of such a great effort in the Kingdom of God. We are well blessed!

I look forward to seeing you all tonight for our mid-week service. I hope to see you present and ready to give God your best. May God bless us all as we strive to do His Will and obey His wondrous precepts.

ELDERS' CORNER:

We are very thankful that all of our number who traveled throughout the Thanksgiving Holiday returned safely. It was a blessing to be together as families and to at least acknowledge that we have all been blessed beyond what we deserve. It was a great time of exhortation here at K.E. and we thank God for all the blessings that have come our way this past year.

We are also thankful for those of you who attended and viewed on the internet our Monday night classes. This coming Monday night will be the final class. We will complete our study of the book of Romans and brother Brandon Hall will lead us in a word study on "Redemption." Let us know if you would like to have a Spring session next year and what subjects you are interested in studying. Again, thank you for being a part of this Bible Study.

Remember to help supply the items needed for our Holiday baskets that are given to our shut-ins and others of this congregation. The sign-up sheet is in the lobby. It brings so many joy to know that we care. The baskets will be assembled and delivered on the 14th or 15th of December.

Evelyn Long has been discharged from the hospital and is now residing at the Willard Care Center. Cards and visits would greatly encourage her. So good to have brother Leon Wake with us Sunday morning. Continue to remember him and all our loved ones here at K.E. with calls, cards and visits. Your contact with them will greatly brighten their day.

See you soon. Make your worship to God and studying His word your greatest priority.

In His service,
Jerry & David
