NOVEMBER 10, 2019 BULLETIN RAY'S REMARKS:

Hello beloved brethren!

We all start this week off with heavy hearts as we together mourn the loss of our dear sister Marilyn Dalton. What a shock this has come to all of us, however we rejoice in the fact that our beloved sister was a faithful child of God and now has the privilege of enjoying the reward which we all believe in, as promised by God. The loss of our dear loved ones is never easy in a physical sense, but how wonderful it is to know that we all have great things awaiting us when this life is over. Furthermore, we will be able to see those faithful who have gone on before us in that beautiful place of rest called Heaven! I hope we will all be comforted and that we will all comfort one other with these words. Thanks be to God for His wonderful peace, His glorious promises and His sweet rewards.

Remember that the visitation is Tuesday night from 6-8 at Greenlawn North Funeral home. The Funeral services will be Wednesday at 1, also at Greenlawn North.

Let's all keep brother Gary and the family in our prayers. I know that he, as well as Pam, Angie, and Kristy will need our encouragement and love shown for many days to come. It is great to be a part of God's family and to know that we have the help of others in this life when we face the trials of it. What a great blessing from God our church family is.

I continue to be excited about the good turnout for our Monday night classes. It is good to see so many interested in studying in God's Word and in growing as Christians. I wish many more would take advantage of this opportunity. I know some of you are watching online or watching the archives after the fact. If you could please let me know that would be great. We are just trying to get a general idea of how many are utilizing these studies so that we can make plans for additional classes. Thanks for your help with this.

Well I look forward to seeing you all Wednesday night for our mid-week Bible study. Furthermore, let's all be ready for the Lord's day next weekend that we can be prepared to give God our very best. May God bless us all daily in His faithful service.

GOD ANSWERS PRAYER

I asked God for strength, that I might achieve,
 I was made weak, that I might learn humbly to obey...

I asked for health, that I might do greater things,
 I was given infirmity, that I might do better things...

I asked for riches, that I might be happy,
 I was given poverty that I might be wise...

I asked for power that I might have the praise of men,
 I was given weakness, that I might feel the need of God...

I asked for all things, that I might enjoy life,
 I was given life, that I might enjoy all things...

I got nothing that I had asked for, but everything I had hoped for.
 Almost despite myself, my unspoken prayers were answered.

I am, among men, most richly blessed.

ELDERS' CORNER:

Our hearts were saddened Saturday with the news our sister Marilyn Dalton was called home to God. Marilyn was an integral part of our church family for many years. Although no longer with us physically, her memory lives on and we will see her again in paradise. Pray for Gary and his family for their strength and comfort during this difficult time.

The Men's Breakfast is this Saturday @ 8 AM It is a time for good food, fellowship & Bible Study. Make plans to attend.

Continue to keep Jerry and I in your prayers as we finalize plans for our roof repair and the funds needed to pay for it. We will also be reviewing our budget to allow for loan repayment and putting funds aside for future needs. Thank you for your patience and understanding.

Keep Jennifer and Ackarley Hass in your prayers. We are encouraged by the good reports and look forward to seeing them soon.

As well, encourage Marge Langston, Eva Simon, Reva Lewallen, Leon Wake and many others with cards, calls and especially remember them in your prayers.

In His service,

David and Jerry
