BULLETIN

RAY'S REMARKS:

K.E. FAMILY LIFELINE

What a wonderful week this has been thus far! July is off to a great start and we have so much to be thankful for as Children of God. We had a great day Sunday. There was a great crowd Sunday morning and we had a lot of people stay for the potluck. It was good to spend this precious time with our church family. We also had a great afternoon service with a good number present. It was definitely an encouraging Lord's day.

On Monday, Brent, Kevin and Casey all arrived at the airport and left for Ghana Africa around 11:30 a.m. We had a good crowd of family and friends see them off at the airport, and I am thankful to confirm that they arrived safely in Ghana yesterday evening. They got their first taste of KFC on the way back to the school building and had a good first evening. Today they are spending some time shopping and getting things they need for their stay in Ghana. Brent said it took about 2 hours to get to the shopping area from the school and about 2 hours to get back. That's Ghana traffic for you. Let's keep them all in our prayers as their real work begins tomorrow.

I hope everyone has a great 4th of July. The 4th is always a time to spend with beloved family and friends. Cindy and I look forward to spending it with the kids. Luke started his new job on Monday, so he is now on call for this whole month. We all decided to drive to KC and have a cookout and watch fireworks there. Everyone have a safe and happy 4th of July. We certainly have a lot to be thankful for.

I thought I would just say that we had a great turnout of the BIM Open House. We had a lot of graduates return to be with us Saturday morning. We also had about 6 prospective future students come to get more information about the school. Thanks to all who came and made this time a success.

Well, I look forward to seeing you all tonight at our mid-week service. Until then, always put God first and you'll never regret it. May God bless us all as we serve Him and as we do His precious will.

ELDERS' CORNER:

We are very thankful to hear that Brent, Casey and Kevin had a safe journey to Ghana. I hear they are already settled into their apartment at the school and are preparing for two weeks of preaching, teaching and encouraging the brethren in Ghana. I don't think we realize the tremendous good that is done in our works in Africa to lead people to Christ. The preachers we train will do the work they are trained to do, and not only will they establish churches, mature Christians in existing churches but they will reach out to the millions of lost souls in another part of this world. What a great privilege to be a part of fulfilling the Great Commission of our Lord and Savior. Continue to remember our brothers as they are away from their loved ones.

On the weekend of July 14th, brother Scott Richards and his wife will be with us as he is considering assisting with the work here at BIM as well as teaching in our schools in Africa. He will be teaching the Adult class in the auditorium and preaching at the AM worship. In May of this year, brother Scott taught at the Zambia School for a month. All reports that we have received are very good as to the work he did while in Zambia. Brother Scott is already a full time missionary; his major focus is teaching in faithful preacher training schools in many parts of the world. He fell in love with our works in Africa and made the statement that it is the best method or approach to preaching training that he has ever been a part of on the foreign fields. He is highly recommended as to his faithfulness to the Word of God.

Edith and I will be in the Ft. Wayne, Indiana area this coming weekend to make reports to longtime supporters. We haven't been there in years. Not only will we enjoy being with brethren that we worked with for a period of over 7 years in the 70's but we will be making a major effort to raise funds for the work in Zambia. Pray for our safe and successful journey. We will miss being with you.

Thoughts and prayers are extended to all our members who are suffering physically and spiritually here at K. E. As a family, we need each other every day. We are thankful for the progress many of our loved ones have made recently in overcoming life's challenges. Life doesn't seem to get any easier but with the Lord, we can have access to all our needs. We love you all and if you need us please don't hesitate to call.

Your Elders,
 Jerry and David
