JANUARY 3, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope everyone had a great Christmas. We sure enjoyed our time with the family. I always love having all my kids back during the holidays, in our home, just spending time together. God has blessed Cindy and me so much and we are very thankful for all we have.

We have also enjoyed our time with church family and friends over the holidays. We have had several opportunities to share with our beloved friends. It is so wonderful to have such relationships in this life.

Well, we are only a few days away from the New Year. It's hard to believe that we are starting 2016. I guess as they say, "time flies when you're having fun!" I look forward to our New Year's Eve get together tomorrow night. It is always great to ring in the New Year with those we love. I hope many of you will be able to come to the building and be a part of this time of fellowship and fun. Hope to see you there.

I wanted to say a big Thank You to brother Mark and brother Seth for filling in for me while I was away. It is a real blessing to have so many capable men willing to pitch in and help when they are needed. We certainly are blessed at Kansas Expressway to have so many talented men of all ages.

Although we are at the end of a year, let's continue to remember that some things haven't changed much and many of our family are still needed our prayers on their behalf. We need to especially remember brother Tom and sister Anita as they will be moving to Houston for several months for Tom's treatments. Let's also remember sisters Retha, Reva, and Freda as they deal with their health issues. We also have those who are still recovering from surgeries, let's especially remember my dad and sister Charlotte Steely. May we never underestimate the power of prayer, therefore, let's keep all these important petitions before a loving and caring God.

Well, I hope to see you tonight for our mid week's service. Also, let's all start the New Year out on a good note by being present this Sunday to worship God with all the saints. What greater place can we be than together before God's Throne worshipping our Creator.

May God bless us all in this New Year and may we each give Him our very best as our daily service.

"You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all *who are* in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven." Matthew 5:14-16

ELDER'S CORNER:

Hope everyone had a very good Christmas holiday visiting family and friends. We pray that everyone has a very happy and healthy new year.

On Sunday morning brother Mark had a good Bible class and a very good sermon. On Sunday night brother Seth did also bring a very good sermon. We are a blessed congregation to have men such as these and many more that can preach and teach.

Sister Charlotte Steely got to go home this week.

Please keep those that are having health problems in your prayers.

Hopefully Sunday we will present the budget for 2016. Pray that we can meet it every Sunday. We will be installing deacons, also. The new directory should also be ready to pass out.

ELDER ON CALL FOR JANUARY: JERRY SULLINS

A NEW YEAR WITH THE LORD

A new year is about to unfold
With new opportunities to explore
Doors will open for new experiences,
New adventures with the Lord.

Remember not the former things,
The things of this past year,
The Lord will do new things in us,
Much more than we are aware.

For He will make a way for us
As we put our trust in Him
And He will guide our every step
By His presence we have within.

What God has placed within our hearts,
We find we'll be able to do
If we look for the opportunities,
We'll see the door to go through.

We mustn't let anything hold us back
But rise up and take our place,
And be all that God wants us to be
With a fresh touch of His grace.
