## JANUARY 10, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

HAPPY NEW YEAR! It is great to be at the start of a new year, 2016 and I hope your year is off to a great start. What a blessing it is to have another year to live and to serve our God. I hope we will all do our best to make this a very profitable year for God and His Kingdom.

Have you made any New Year resolutions for 2016? I hope so, because unless we plan to succeed and to do better we usually plan to fail or do less. I think it is a great idea to set attainable goals for 2016. These goals will hopefully challenge us to have a great year, both spiritually and physically. May we always remember that our physical prosperity and God's blessings are directly tied to our spiritual commitment. God always blesses His own who are striving to be faithful. Let's all be faithful to God each and every day of 2016.

Everything is going well at the BIM at the start of this new year. We are finishing up the second quarter of the year and will be starting a new semester in about a week and a half. Please continue to pray for this good work and all that it is accomplishing for God. Pray for its supporters, teachers, and students that we may all continue to accomplish God will as we labor for God. How blessed we are to have such a privilege to do God's will at Kansas Expressway. How wonderful it is to fulfill the very directive of God, teaching "faithful men who will be able to teach others also." Praise be to God for this opportunity to serve Him.

Sunday was a great Lord's Day! We had several visitors as always, some who are looking for a church home. How wonderful it is to share our faith and worship with others. It was a great way to start the New Year off as well in connection to our offering. We had a great contribution. Hopefully this will be a pattern we will all be challenged to keep up throughout the entire year. How blessed we are to have so much from God and how blessed we are to be able to give back to Him.

Please continue to keep all of our family with special health needs before God's throne in prayer. God is a good God who always answers prayer!

I hope to see you tonight for our midweek service. Also remember that the Lord's Day will be here before we know it. Please be prepared, ready and present to give God your very best. See you soon. God's blessings to all!

## ELDER'S CORNER:

Last Sunday, Gary and I had the privilege of appointing two deacons (special servants) over two different works here at K. E. Brother Clay Hoffman was appointed to serve in the capacity of looking after the Building and Grounds. Brother Donnie Gardner was appointed to serve in the areas of Communication as it deals with our sound system and internet. We appreciate so much the desire of these men to serve. We admire their dedication to the cause of Christ as they lead their good families to be dedicated to the cause of Christ.

The Lord has blessed us with a new year. Now it is our responsibility as children of God to do what we can to be faithful to our Lord and to reach out to the lost of our community. Brother Seth Hass and Mark McCarty are putting together a program of visitation and evangelism so that we can make a greater effort as a congregation to reach out to the lost of our community and serve one another. We are looking forward to presenting the program shortly so that we can make 2016 a year of truly striving to do His will.

Remember all our loved ones as they struggle with health problems and spiritual problems. Life is not easy. It is a constant struggle. That's why the Lord gave us one another so that we can work through the hard times and enjoy the good times together.

Hope to see you all at all our services.

Gary and Jerry
