## FEBRUARY 21, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Another blessed week of life is underway and God continues to hear our prayers and answer our petitions as desired. We thank our Creator for the great recovery of many of our church family. So many are doing so well after surgeries and health issues of all sorts. Let's continue to pray for all those who are recovering or improving after health issues. We especially are thankful for the good improvement of brother Leon. He gave us all a scare, but we praise God that he has turned the corner and is making slow but steady improvements. He is now off of the breathing and feeding tubes. Let's also remember brother Tom as he receives his treatments in Houston. May God continue to bless him and Anita as they face this great trial of life.

We had a great turnout for the Men's Breakfast this past Saturday. Thanks to all who were present to benefit from this time of spiritual growth and encouragement. Let me encourage all of our men to at least try and make one or more of our breakfasts this year. We always have a wonderful time together as God people and are strengthened in our service to God.

It sounds like we have some beautiful weather coming up the next few days. It's hard to believe we will have temperatures in the 70s. Hopefully we will use these beautiful days and our energies to give more glory to God and to do more in His service. Hopefully that will start by our opportunity to serve God tonight as we gather to worship this evening. What a privilege it is to have such gatherings like this to praise our God and to encourage one another as people of God.

This week is research week at the BIM. This gives our students an opportunity to catch up on their special and extra class assignments for the quarter. All of our students continue to do a great job. I am so proud of them all and their desire to train themselves up in the Word of God. Their commitment is a big and difficult one, but well worth the effort to accomplish the wondrous work of our Lord. Also please remember our men as 4 of them are about to graduate. They are already looking for opportunities to labor in God's Kingdom. I know it is a scary and difficult time for them in many ways, so please continue to remember them all as they prepare themselves to be proper proclaimers of God Word.

Well, I hope to see you tonight and this coming Lord's Day. Until then, remember to always put God first as His dear children. The faithful are always blessed beyond measure! God Bless All.
