RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brethren! I hope you all are having a blessed week. We certainly had a wonderful Lord's Day this past Sunday. It is always great to worship God together as a family. It was also wonderful to have a time of fellowship after morning worship. We had a great number present for the agape meal.

As always, there are many we need to keep in our daily prayers. Especially brother Tom and Anita Long, as well as Janet. We also need to keep sister Charlotte in our prayers. She has been in the hospital and has been diagnosed with some kind of cancer. They are still running tests to find out what it is and the extent of it, so let's pray for Charlotte as she deals with this new trial of life.

We also rejoice in the continued improvement of brother Leon Wake. He has had quite a difficult time getting his health back, but we rejoice to see his continued improvement and we hope he gets to go home soon. We also have many others who are recovering well after surgeries. Let's continue to remember them all in prayers, especially sister Reva, who is still in Maples Rehabilitation.

I was sorry to hear about the passing of Pat Wiser. I sure miss brother Tom and sister Pat being around. Our prayer is for her family and their loss during this time. However, as Christians we rejoice for we know that they both have the hope of their home in Heaven through Christ Jesus!

It was exciting to have a visitor today at the BIM who is interested in starting school in August. His name is Zach Hall and he is the brother of Brandon Hall, who is now in school. Please pray for Zach as he begins the process to organize his life to begin school in August. We look forward to Lord willing having another good group of men start to train at the BIM.

Well, I look forward to seeing you all tonight as we gather for our mid-week bible study and devo. It is always a blessing to be together with our church family. Also, remember that the Lord's Day will be here before we know it. How wonderful it will be to gather before the throne of God to Worship our Creator. I look forward to seeing you Sunday as well. Until then, God bless!

# ELDER'S CORNER:

Greetings from your elders at K.E.:

Hope everyone is having a good week. The Lord has blessed us this winter with great weather. Hope the rest of the year will be just as good.

We have so many having health problems. Please pray for them in every prayer. Good to see Anita here for a short visit, while she and Tom are in Texas for a few months with Tom having regular treatments for his cancer. We hope and pray that he makes a full recovery.

Spring will be coming soon. We're looking forward to our Spring Lectureship presented by our former and present students and instructors. (More details coming soon.)

Sister Mary and our young people are doing a lot of good by going out and visiting our shut-ins. They love the time singing and praying with them.

We have such a great group of young people at K.E. Love them all.

Plan on being at services on Sunday.

With our Love,

Gary & Jerry
