MARCH 27, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Well, Spring is here and what a blessing it is to see the sun and to feel the warmer temperatures. Everywhere you go around town you see people mowing yards, planting flowers, working on their gardens. Spring is certainly an exciting time of year!

I also like the fact that Spring reminds us of new life. As I look around the trees are budding and the blooms are so beautiful. It is as if everything is waking up and preparing to face another year. Hopefully, the same can be said about us spiritual. Often we need to wake up, begin a new life with proper goals and priorities. Life often leaves us feeling old, dirty and even dead, but the good news is, we can always wake up, start over, or begin life anew as one who truly loves God and who is committed to His service.

No doubt this is why the inspired Paul calls us New Creations (creatures). Remember what he said in 2 Corinthians 5:17? "Therefore, if anyone *is* in Christ, *he is* a **new creation**; old things have passed away; behold, all things have become **new**. Brethren we have put off the old man and the old life of sin. We no longer are dead as the world, but we are alive in Christ. Therefore, as His New Creation let's act alive, let's get busy in His service, and let's do all things according to His perfect Will. The great news is, as those created by Him and in His image, we will be well blessed by our God. Furthermore, we will receive the ultimate promise of eternal life when this life is over. Will we live faithfully unto death, so that we may truly receive the crown of life?

One part of being His New Creation is remembering our brothers and sisters in Christ and their daily needs and struggles. Brethren, I always want to encourage you to pray for those of our number who continue to deal with a variety of health issues and trials of life. We have had those who have lost loved ones over the past few weeks. We have also had those who are recovering from surgeries and illnesses, as well as those who are dealing with cancer treatments. Please keep all of our good brothers and sisters with such needs in your daily prayers.

Let me also say Happy Birthday to sister Reva. I know she has been down a little lately as she has been stuck in that rehab facility, but I think she had a great birthday on Sunday and I know a lot of people visited and encouraged her. We love you, Reva. Please get well soon, we need you back with us to worship God!

I hope you all have a good week. Remember our opportunity this day to gather for Bible study and a devotional together this evening. Also remember that Sunday is the Lord's Day; may we all give this day to Him. See you in worship. God bless!

ELDERS' CORNER:

Our attendance was up last Sunday and we also made our budget. Only one time this year have we failed to meet our budget. We want to thank the congregation for your loving response in helping us to exceed our budget this year in the first quarter. We are making plans to use the extra funds in expanding our work as well as take care of some needs we have been putting off for a long time due to the lack of funds. This past Sunday, we also had a great Agape meal with groups 1 & 4. It is really encouraging to get together with one another and eat a common meal.

This coming week, the students and some of the faculty of BIM will be attending the Memphis School of Preaching Lectureship. We will be gone from Tuesday through Thursday. The MSOP Lectureship is one of the best attended lectureships in the country. MSOP has been in existence for 50 years and has always had the reputation of being strong in the faith. Pray for our safe journey.

Remember our sick and shut-ins. We are thankful to God for His love and care for our loved ones. Continue to remember them all in your prayers.

Our sympathy is extended to Kay Edwards in the passing of her mother, Juanita Chaffin. We will all greatly miss sister Chaffin who was a faithful member here at K.E. Our brother, Johnie Hamilton passed from this life this past week. Our sympathy is extended to the family. We will miss him very much.

We understand that Mary Patchell had a bus load of our young people this past Sunday to visit the shut-ins. Thank you Mary for all the good work you do and thanks to our parents for encouraging their children in this good work.

Hope to see you all at all our services. We love you!

Jerry & Gary
