## APRIL 17, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Greetings to you all! I hope you are having a blessed week in the service of your Lord. No doubt we started our week out on a high note, as we gathered last Sunday to worship God. What a privilege it was to come together as God's people to lift up His Holy Name! Furthermore, what a great crowd we had on Sunday with lots of visitors. It is good to be in the family of God.

Let me encourage us all to remember our recent responses over the past few weeks. Especially, let's remember Diego as he responded last Wednesday and asked for forgiveness and prayers for encouragement to be a better Christian. I am so proud of all of our young people and their willingness to serve God and to humble themselves before His Mighty Throne. What a great encouragement and example they are to us as well. We have many fine young people in our church family.

I was also very encouraged by our young men as they lead the service last Sunday evening. I appreciate their willingness to get up and lead in worship and even to try new skills which most of them have not mastered. Let's always encourage our young people and commend them for all they do and are willing to do. What a great blessing they are to the Lord's Church.

It's hard to believe that we are already half way through April. In just a few weeks we will gather to celebrate many of our family who are graduating from school. Some of our young people will be graduating from high school and some from colleges or universities. This event will take place on May 1st, after evening services. Also, remember that we have some important events coming up in the near future. On May the 15th our BIM lectureship begins. I look forward to our soon to be graduates and also our instructors speaking in this lectureship. It is a great time each year to grow in the Word of God and to be challenged to be better Christians. I know that you all will want to be a part of every lesson. Our theme this year is, "Having Done All to Stand...", from the book of Ephesians 5. We are going to look at many practical lessons to help us as a part of God's church as well as laborers in our daily lives. Let's begin praying for the success of this time of offering to God.

Finally brethren, let's remember those of our number who continue to deal with health issues and trials of life. So many need our prayers. Please make sure and do your part to pray for each other daily!

Well, let me encourage us all to gather for our mid-week service this evening. Also, the Lord's day will be here before you know it, so please make sure to be present and ready to give God your very best. May God bless us all as we strive to do His Will and as we accomplish the things required in the Bible!

## HOST A YOUTH DEVO.

There are some slots open if you are willing to have the youth group over to your home (or in the fellowship room) for a meal and a devotional. Check the bulletin board for available months to sign-up.

## WE EXHORT YOU, YOUNG MEN:

Be sober-minded.  
In all things show yourself to be a pattern of good works;  
In doctrine show integrity, reverence, incorruptibility, sound speech that cannot be condemned.

That one who is an opponent may be ashamed - having nothing evil to say of you.

Teachings from Titus 2:6-8

## ELDERS' CORNER:

This is the day that the Lord has made for us. Let us rejoice in it. We have many of our number who need encouraging words. Let us try to send two cards this week to make their days a little brighter.

Our young men did a great job in being involved in our past Sunday p.m. service. These young men are doing a great service to their Lord. Always encourage them.

Agape groups 3 & 4 will meet this Sunday after our morning service. Try to attend and bring the dish your leader has asked of you. Let's all continue to do our part in helping to clean up our fellowship room after the meal.

Big thanks to sisters Mary and Jeanna for studying with Phoenix Summer that led her to be baptized. Get acquainted with sister Phoenix.

Pray for the wok of the BIM students and instructors as the school year will be over soon.
