## MAY 1, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brothers and sisters! I hope you all are well and that you are having a great week. Last Sunday was a wonderful Lord's Day. We had a great number present for worship, with lots of visitors. Isn't it wonderful to be able to share our faith with so many others? We certainly are blessed as a family of God.

Well, we finally got some rain yesterday. Things were really drying out so it was nice to see it. Hopefully it will settle down the pollen a little so everyone with allergies will feel a little relief. We must have had a pretty strong wind storm last night because there were shingles and debris all over our neighborhood. I'm thankful and glad that no one was hurt.

It is hard to believe that we are only a few days from the end of April. Remember, we have a busy May coming up and that the summer months have many opportunities to grow and serve God as well. I hope you all will take advantage of the many opportunities to worship God and give Him your best. Certainly, our God is worth every effort!

Well, we are already half way through our 4<sup>th</sup> quarter at the BIM. The students are doing well in my Revelation class, as well as in my Greek IV class. It is so exciting to see their continued growth and improvement. I really look forward to you all hearing our soon-to-be graduates at the lectures in just a few weeks. It will be a great time of spiritual growth, as well as an opportunity to encourage one another in the things of God. Let's make plans now to be a part of the whole lectureship and to invite others as well. Flyers are available on the foyer table for the lectures so that you can hand them out to family, friends and neighbors. Together, let's make this year's lectureship a great success.

Great news this week about sister Reva- her surgery went well and she is now at home. We hope and pray she continues to improve and get her health back so she can be back with us soon. We have many others who are still dealing with a variety of health issues and trials. Let's keep them all in prayer.

I hope to see you all at our mid-week service tonight. Also, remember our privilege to worship God this Lord's Day as His beloved people. I know you will all want to be present and ready to give God your best. Until then, God bless and be safe!
