MAY 22, 2016 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

We have had a great week of study, growth and fellowship in the sweet teaching of Jesus Christ this week. Our Lectureship has been a huge success and we have had very good attendance each night. I hope you all have taken advantage of this time of service to God. What a blessing it is to have such opportunities to come before our creator. We certainly serve a loving and caring God who is worthy of our praise and devotion!

All of our speakers have done a good job at the Lectureship. I am so proud of our students and the preparation and presentation of God's Word they did. We have so much to be thankful for that we are all involved in training young men like these to become preachers of the Gospel of Christ. Trey, Brandon, and David have all done good jobs and we look forward to brother Thadd speaking tonight on the last night of the lectureship.

It is always amazing to me how far these brothers have come since the beginning of school. How wonderful it is to see their growth and maturity as they use their skills for God in His Kingdom. Let's pray for them all as they continue to prepare to go out and work in the Kingdom of God.

At this time brother David Blades is the only student who has accepted a work at a place called Jamesport, Missouri. Trey is considering several places to go and work, and Brandon has made several applications and inquiries with congregations as well. Brother Thadd is still trying to decide what to do, in the fact that he will soon be getting married. After that, he says he still plans to find a congregation to work with. Again, let's pray for them all as they look for a place to use their skills in the Kingdom of God. I know they will all accomplish great things for their Creator in their future labors for God.

I hope to see you all at the final night of our Lectures tonight. Brother Thadd will be speaking first and then Dad will close out the lectureship as usual. Thank you all for your continued involvement, encouragement and support of the BIM. It is a great and profitable work in the Kingdom of God.

Also remember that our next opportunity to gather on the Lord's Day will be here before we know it. May we all put God first and be prepared to give Him our very best. I love you all and God bless!

# ELDERS' CORNER:

Tonight will be the last night for our 12th Lectureship for BIM. It has been the best attended lectureship in recent years. Many of you did come and support the Lectures. We are very proud of our graduating students who proclaimed the truth of God's Word using the knowledge and skills they have learned for the past two years. We pray God's riches blessings on them and their families as they enter a new phase of their lives in service to the Lord.

For your information, Jerry and Edith will be able to take their annual trip to Zambia and Uganda. The dates they will be gone are June 7th through July 8th. They will be attending graduation ceremonies in the two countries where we support preacher training schools. Fifteen will be graduating in Zambia and six in Uganda. Prayers are requested for their journey.

Don't forget our sick, shut-ins and loved ones who need not only our prayers but our calls, cards and visits. Many are lonely and need our support during these difficult times in their lives.

Hope to see you all at all our services.

Jerry & Gary
