RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope everyone is having a great week! It sure has been nice to have some of this needed rain the last few days. It has been a little wet, but it is always nice to have the cleansing rain and hopefully it will help to settle down some of the pollen counts. Anyway, I hope we are all still making the most of every day. What greater privilege could we have than to be God's Children and to be beneficiaries of His Wondrous Love and Great Blessings! I hope you are truly thankful for all that God is doing for you in your daily lives.

Last week was truly a great blessing for us all. I hope you all enjoyed the Lectureship as much as I did. It was certainly encouraging to hear God's Word taught and to see the great progress of our soon to be graduates from the BIM. I encourage us all to continue praying for these good men as they are presently looking for a place to labor in the Kingdom of God. Only David so far has secured a full time job, but brother's Brandon and Trey are talking with a few congregation. I know this is an exciting but anxious time for all of them as they make decision that will impact their future, the future of their families, and the future of the Lord's Work. I know that God will bless them all and blessing them as they strive to give their lives in His Service.

Let' me remind you that we had one response during the Lectureship. Please remember brother Tyler in your daily prayers as he desires to be the best follow of God that he can be.

I also want to continue to ask you all to remember those students who are already making preparation to begin at the BIM this next intake. So far we have two confirmed who are trying to organize to come. However, we also have at least 3 others who are giving it serious consideration and trying to make a final decision as to whether they might start this next intake or the following one. Again, we know that God's Will is going to be accomplish in all things, so let's pray to that end.

I might also remind all of you that we are only a few weeks away from our first camp session of the year. It will begin June 12, so please keep this good work in your prayers as well. Also, we have several who will be making mission trips over the summer. Please remember Dad and Mom as they will be headed to Africa in early June. Remember that Trey, Ruth and I will be headed to Ghana probably in July. Also brother Chuck is making a mission trip this year. Please keep all of these good efforts in your prayers that they may accomplish a lot in the Service of God and that we may all do our part to increase the borders of His Kingdom.

I hope to see you this evening for our midweek service. What a privilege it will be to gather as God's people, study His Word, and be encouraged in our Word for Him. Also remember that the Lord's day is of the utmost important to the faithful Child of God. I know you will be present this coming Sunday and ready to give God your very best. Until I see you all again, may God bless us all in our labors for Him, as we do His Will and as we follow His Precious Precepts.

\*The new summer curriculum has arrived and is in the teacher's workroom.

# ELDERS' CORNER:

Greetings from the elders at K.E.:

Hope everyone is having a good week. We just finished, what we think was, one of the best lectureships ever. We had great preaching from God's word. Also, we had the best attendance and we thank everyone for that.

Sunday, we will be meeting with Agape groups 2 & 3. Please try to bring what your leader calls and asks of you. Your attendance will be appreciated. We need to keep Tom Long, Charlotte Steely and Pam McCarty in your everyday prayers along with our shut-ins.

Be praying for our camp sessions that will be coming soon. Ray's session is in a little over two weeks-June 12<sup>th</sup> through June 17<sup>th</sup>.

Keep Hannah Fielder in your prayers as she is in Spain doing some studying. Pray that she will be safe while there and as she travels.

Monday, May 30<sup>th</sup> will be Memorial Day. Please remember those that have gone before us. Also, remember the Lord every first day of the week. Be safe if you are traveling this holiday week.

See you on Sunday for Worship,

Gary & Jerry
