RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brothers and sisters! I hope you are having a great week and I know that God continues to bless us all as we labor in His Vineyard.

Sunday was a wonderful day. We had an encouraging time of worship together and enjoyed the blessing of many visitors. We also had a great graduation Sunday afternoon. We had a good crowd present for the graduation and many congregations in the area were represented. I am so proud of our most recent graduates. They have accomplished a great task in completing their studies and I know that they are now ready to get busy using their skills. Please continue to pray for these good brothers as most of them are still looking for congregations to work with.

Let me also say a big THANKS to all who helped with the graduation reception. It was very nice and everyone enjoyed our time together with the graduates. What a blessing it is as Christians to give honor to whom honor is due. Hopefully, we encouraged these young men in their future labors in God's Kingdom.

Well, my parents made it off safely and by the time you get this bulletin they should be in Johannesburg, South Africa, awaiting their flight back up to Zambia. Please keep them in your prayers as they travel to Zambia and later Uganda. I know it will be a tiring but rewarding time in the service of God.

Also, I have now purchased our tickets to Ghana. Trey, Ruth and I will be leaving on July 20 and headed for Accra, Ghana. We are still trying to get things organized for the trip and they are trying to get some final shots and such taken care of. In connection to their trip, they have been able to raise a little over half of the necessary money for their plane tickets, but still quite a bit more to finish paying for their trip and expenses. If any of you are able to help them out it would be a great blessing. It is important that Trey and Ruth both have some exposure to our works in Africa, so that they may be able to be more involved with them in the future. Obviously, these good works all must continue and have those willing to travel and help out when needed. Thanks for considering this need and helping if you are able.

Finally, let me remind you that our camp session starts this Sunday. As always, we look forward to an encouraging time of growth and study with all the campers. Please keep this good work in your prayers as we try to influence a lot of young people for the sake of Christ. In connection to this, we will have a camp cleanup this coming Friday morning and hopefully will be done by lunch. If you are able to help that would be great. Please let me know if you are able to help with this cleanup! Thanks

Also, after the men's breakfast this coming Saturday, we will have a work day for any of you who are willing to help out. We have some urgent needs around the building which need to be taken care of. If you are able to be a part of this please let me know if possible before Friday. Thanks.

I look forward to our assembly this coming Lord's day, however, I know I will have the privilege of seeing many of you before then. May God bless us all in His service.

ELDERS' CORNER:

Greetings from your elders at K.E.:

Hope everyone is having a great week so far.

Pray every day for all of our members that are having health problems, especially sister Charlotte, who had surgery on Monday. She is planning on going home today (Wednesday). Also, keep praying for brother Tom Long. It was so great to have Tom & Anita back in Springfield and in worship on Sunday.

Sunday was a very good day as we had 4 young men graduate from the B.I.M. We know these four, Brandon, Trey, David and Thadd, will be doing great things in the Kingdom.

Please keep Jerry & Edith in your prayers as they will be in Africa for 1 month. Pray for health and safety for them

Our camp session will begin Sunday at Happy Hollow Bible Camp. Keep these kids and workers in your prayers.

Agape groups 1 and 3 will meet Sunday after our morning service. Please bring what your leader called and asked for.

Gary & Jerry
