BULLETIN

RAY'S REMARKS:

I hope you all have had a great week thus far! The weather has continued to be pretty nice for this time of the year. The nicer weather certainly helps with our attitudes and seems to make us happier. However, it sounds like we are going to get a little cold stuff tonight and maybe even some snow. Either way, we need to realize in this life just how blessed we are by God. We should further remember that every day should be a great and blessed day, as it is yet another day that God has blessed us with.

I also wanted to take a moment and say how much I love and appreciate brother Bill Heavin. He has been a great servant of God for many years among us and has diligently committed himself to the things of God. Having the privilege of working with brother Bill, I know first hand his love for God and the truth. I was always assured and confident in knowing that every decision was going to be made with God first in his mind. I thank brother Bill for his many years of service as an Elder among us. However, I thank him as well for his spirit at this time and his interest and willingness to continue serving God in every way he can. In my life, I have not known of any finer people than brother Bill and sister Judy Heavin. I have always counted them as family and friends and I know we will all spend an eternity together in Heaven with God some day. I love you brother and thanks again for your example!

I am also very proud of brother Jon Davis in his recent accomplishment of completing the Monday night classes at the Bible Institute of Missouri. What a great example he is to us in committing five years of Monday nights to the study of God's Word. We are blessed to have brother Jon and his family at K.E.

Let me also encourage you to remember our sister Dovia. She came forward asking for prayers of encouragement for herself and her family. We certainly love Dovia and her family and are thankful they are a part of our family at K.E.

Believe it or not, we are wrapping up another quarter out at the Bible Institute of Missouri. God continue to bless our faculty and students in their good work for God. Please continue to remember this good work in your prayers. Especially, at this time, remember brother Brent as he continues to raise funds for his work with the BIM. As well, remember those perspective students who are considering coming to school, that they might have the drive and determination to see it through.

I look forward to seeing you all in Worship this Sunday. Please prepare to give God your best and to be present. Have a great weekend and God bless!

Ray Sullins

Elder's Corner:

Greetings from the elders at K.E.:  
As most of you know, last Sunday morning brother Bill Heavin resigned as an elder of the K. E. congregation. We will greatly miss brother Bill in the eldership. He added so much to the eldership in his desire to always be fair-minded and to do what was right according to God's Word. Brother Bill has agreed to continue to do many of the works he has been involved in for years, especially his work with B.I.M. and the school in Zambia. Our prayers are with him as he continues to adjust to the loss of Judy, our beloved sister-in-Christ.

We want to congratulate brother Jon Davis for the great accomplishment of completing the night courses at the B.I.M.! He has been attending the classes for five years every Monday night. What a wonderful example he is to us all!  
Don't forget to sign up for the yearly Bible Reading. Last year over 20 completely read the Bible through. This year we should have even more. It encourages us all!

Very soon we will present the budget for 2012 as well as introduce plans for this new year. Hope to see you all at all of our services. We love you all.
