BULLETIN

RAY'S REMARKS:

I hope and pray that everyone is having a good and profitable week! We had another wonderful Lord's Day together. As always, it was exciting to have many visiting with us. However, it was even more exciting to have so many of our own present to worship, despite the various health issues, trials and sicknesses that are among us.

The Lord truly blesses His family at Kansas Expressway and there just doesn't seem to be a week that goes by that it isn't clear that our prayers are heard and answered. We rejoice that our sister Retha now is at home and recovering. Let's continue to remember her and others who improve with God's help.

We also received some sad information this past week in relationship to the Livingston family. Alton and Nancy's daughter, Bethellen, passed away. Obviously they have gone to Michigan to be with family and to make arrangements. Let's all keep this family in our daily prayers as they deal with this difficult trial of life. It certainly never seems right for parents to have to lose their children. It's times like these when it's good to have church family.

From time to time some of you ask about the TV program and our responses. We have them weekly, but this morning we had several that I thought I would just mention quickly. Today, one message we received was from a denominational person thanking us for the program and telling that they regularly watch it. Another, person called from Niangwa and requested a Bible Correspondence Course and thanked us for the program and the good work it was doing. Another, email I received was in relationship to a recent lesson on worship; to which I have begun an e-mail discussion on this topic with the individual. I also told him I would try to cover it more detailed on the program in the near future. We have also received over 30 hits on our website this week. The Living Word Program continues to reach out with the Gospel of Christ and to challenge people in this area to look to God and His Word. Please continue to pray for this great work of God.

Well, I hope you have a good weekend and I pray that you will remember God in all things. Furthermore, let's properly prepare ourselves for worship this coming Lord's Day. Until then, God bless!

PANTRY:

THANKS FOR BRINGING PANTRY ITEMS!!

So many of you responded in bringing needed items, and the pantry looks good! Items that are still low are.... Peas, Green Beans and Canned Soups. Thank you for helping to re- stock our pantry!

Elder's Corner:

Greetings from the Elders at K.E.:

We want to thank everyone for the words of encouragement we have received as the shepherds of this flock. During a period of difficult transition you have stood by our side. What more could we want or expect. We love you all.

Plans are being made to take care of some of the pressing needs for the upkeep of our building. For several years we have been unable to maintain the facility as needed because of a lack of funds. As we maintain our budget we will have the resources avail- able to take care of the maintenance of our facility and grounds.

Many among our number are suffering physically and some spiritually. Continue to place these brothers and sisters before the throne of God.

It is good to see our number increasing. Hope to see you all at all of our services. May God bless you all.

Jerry Sullins & Gary Dalton

THINGS YOU WILL NOT DO IN HEAVEN:

1. You'll never go to the medicine cabinet in heaven.
2. You'll never attend a funeral.
3. You'll never turn on a light switch.
4. You'll never face a temptation.
5. You'll never visit a sick person.
6. You'll never lock your doors.
7. You'll never see an old person.
8. You'll never shed a tear.

Don't you want to go to heaven?

What are you doing about it?

Don't you want others to go as well?

What are you doing about it?
