BULLETIN

RAY'S REMARKS:

Isn't it great to be a Christian? We are so blessed to have a God who loves us and church family who loves us as well. In fact, I am reminded almost every day how many of you care for me and let me assure you that the feeling is mutual. Can you imagine what it would be like not to have each other or not to have a church family. I really don't know how people make it in this life without God and their spiritual family, but perhaps they really don't!

In connection with this let me say that we are excited to have a new addition to our family at Kansas Expressway. We were blessed Sunday to have sister Ruby Ewing express a desire to be recognized as a part of our church family. Sister Ruby seems to be a very nice and likeable person. Let me encourage all of you to meet her and get to know her. As well, let all pray that our work together for God will be to His glory and benefit. We welcome sister Ruby to our family!

I had a wonderful time with the brethren at Bolivar this past Monday night. I was blessed to be asked to speak on the lectureship at the Highway 13 church of Christ. I really enjoyed seeing brother Kevin and brother Max. I certainly appreciate these good brothers and their love for God and His Word. I wish we all would take more advantage of good meetings and lectureships during this time of the year. These activities within the life of a Christian are paramount to growth and encouragement, however few take advantage of such in our day and time. Wouldn't it be worth giving God a few extra hours one week in order that you may grow in His grace and knowledge?

Well, we just started a new quarter at the Bible Institute Of Missouri. This is the final quarter for our second year class and no doubt they are starting to get excited about graduation and the possibilities of the future. Please keep brother Kent and Uriah in your prayers as they complete their studies at the BIM and as they make plans for where they will fit in to God Kingdom. Also remember in prayer brother Alan and Jesse, our first year students. They are doing a great job and we want to continue to encourage them to do such and to stay the course. How blessed we are to have such an important work in God's Kingdom here at Kansas Expressway. May God continue to bless this work and others to His glory and praise!

I look forward to seeing you all in services this coming Sunday. Until then, put God first and know that God will always bless the faithful.

Ray Sullins

ELDER'S CORNER:

Greetings from the Elders at K.E.:

Last Sunday, Ruby Ewing came to place membership with the K. E. congregation. We are very thankful to have her as a part of the fellow-ship here and pray that God will bless us all as we work together to accomplish His goals in our lives.

Our first Southwest Youth Series was a great success. Several area wide congregations were represented. We are very proud of our young people and are glad to see them have an opportunity with other young people in the church. We want to thank brother Ray and Brent for their efforts to organize these activities for our youth.

Don't forget that this next Saturday, April 14th, we will have our annual work day. You are needed. Many things need to be done inside as well as outside the building. Breakfast will be served at 8:00 for men and women. Please sign up for breakfast so that brothers Ewing and Heavin will know how much food to prepare. Hope to see as many there as can attend.

The Lord willing, we will see you Sunday.

Jerry Sullins & Gary Dalton

A BIT OF HEAVEN

Everyone was meant to share
God's all-abiding love and care;
He saw that we would need to know
A way to let these feelings show,
So God made hugs a special sign
And symbol of His love divine,
A circle of our open arms
To hold in love and keep out harm.
One simple hug can do its part
To warm and cheer another's heart.
A hug's a bit of heaven above
That signifies God's perfect love.
